

# LID SNAKE - SPIRITUS SYSTEMS LID SNAKE ANVIS - MULTICAM TROPIC

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Lid Snake ANVIS The Spiritus Systems Lid Snake was designed for anybody using night vision devices that require a battery pack and safe, quick, donning and doffing. The wires connecting your battery pack are delicate and can easily become damaged or disconnected from your helmet. There are two traditional approaches to mitigate this problem. 1) Run tape along the entire length of your cable to secure it to your helmet. The problem with this is that you cannot easily remove your battery pack from your helmet for airborne operations or maintenance. 2) Run the cable underneath your helmet between your pads. This option allows your battery pack to be removed quickly but creates a dangerous scenario where the cable cannot disconnect in the event that your battery pack or nodes become tangled with another object. The Lid Snake eliminates these problems while also providing abrasion protection for your battery pack cable. This two-piece, flexible set accommodates unique helmet configurations, and are sized to be used as a single piece for flight helmets. For use with ANVIS battery packs or other battery packs with straight connectors. 90 Degree connectors will not fit! Note: This product may be shown with optional accessories. Made in the USA

## Attributes

- Name: [SPIRITUS SYSTEMS LID SNAKE ANVIS - MULTICAM TROPIC](#)
- Manufacturer: [SPIRITUS SYSTEMS](#)
- Product no.: 430101690
- Mfr. No.: AC-LS-AN-MT
- Colour: Multi-Cam Tropic
- Delivery weight: 0.02kg
- Shipping height: 13mm
- Shipping width: 51mm
- Shipping length: 178mm

# Safety Instruction Guide for LID SNAKE SPIRITUS SYSTEMS LID SNAKE ANVIS MULTICAM TROPIC

## Introduction

Thank you for choosing the LID SNAKE SPIRITUS SYSTEMS LID SNAKE ANVIS MULTICAM TROPIC. This product is designed to enhance your experience with night vision devices while ensuring safety and convenience. Please read this safety instruction guide thoroughly to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose: connecting battery packs to night vision devices.
- Always inspect the product before use to identify any wear or damage.
- Keep the product out of reach of children and vulnerable individuals.
- Report unsafe products or incidents to the relevant authorities.
- Stay informed about product recalls and safety updates on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Avoid pulling or tugging on the cables to prevent damage.
- Do not expose the product to extreme temperatures or moisture, as this may affect its performance.
- Ensure that all connections are secure before use to prevent disconnections during operation.
- Be cautious of tangling with other objects when using the product, as this may pose a risk of injury.

## Instructions for Installation and Usage

### 1. Installation:

- Before attaching the Lid Snake to your helmet, ensure that the helmet is clean and dry.
- Identify the best placement for the Lid Snake on your helmet based on your personal configuration.
- Attach the Lid Snake securely, ensuring that it does not interfere with the helmet's fit or function.

### 2. Usage:

- Connect your battery pack to the Lid Snake, ensuring a secure fit.
- When donning the helmet, check that the Lid Snake is properly positioned and that the cable is not pinched or at risk of damage.
- For doffing, carefully disconnect the battery pack from the Lid Snake to avoid damage to the cables.

## Disposal Instructions

- Dispose of the Lid Snake in accordance with local regulations for electronic waste.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, consult local waste management authorities for guidance.

## Contact Information for Further Support

For inquiries regarding safety or product support, please refer to the manufacturer's contact information found on the product packaging or the official website.

By following these guidelines, you can ensure safe and effective use of the LID SNAKE SPIRITUS SYSTEMS LID

SNAKE ANVIS MULTICAM TROPIC. Thank you for prioritizing safety!
