

BACK PANEL XL ADAPTER - SPIRITUS SYSTEMS BACK PANEL X LARGE ADAPTOR - COYOTE BROWN

[Home](#)

Back Panel X Large Adaptor This is a required accessory when mounting a Spiritus Systems Assault back Panel Core to a XL LV/119 Rear Plate Bag. The Back Panel XL Adapter zips in between your back panel and your rear plate bag giving you a perfect fit even with your XL bags. The adapter can also be used with a Size Large Plate bag as well, if you feel that the panel is too tight with your loaded configuration. Two zippers are included, one for each side. You can use just one, or both depending on how much of a load you have in the panel. NOTE: This component is an optional accessory to the Spiritus Systems LV/119 Plate Carrier system. An Assault Back Panel Core is required to complete this Assault Back Panel as well as all other LV/119 plate carrier components. Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for BACK PANEL XL ADAPTER SPIRITUS SYSTEMS

Introduction

Thank you for choosing the BACK PANEL XL ADAPTER from Spiritus Systems. This guide provides important safety information and instructions for the proper use and maintenance of the product. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the BACK PANEL XL ADAPTER is compatible with your Spiritus Systems Assault Back Panel Core and XL LV/119 Rear Plate Bag before use.
- Regularly inspect the adapter for any signs of wear, damage, or malfunction. Do not use if any issues are detected.
- Keep the adapter out of reach of children and vulnerable individuals to prevent misuse or accidents.
- Use the adapter only for its intended purpose as described in this guide.
- In case of any discomfort or issues while using the adapter, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- When attaching the adapter, ensure that zippers are fully engaged and securely fastened to prevent accidental detachment during use.
- Avoid overloading the adapter beyond its design limits, as this may compromise safety and performance.
- Be cautious of sharp edges or components during installation and removal to avoid injury.
- Do not modify or alter the adapter in any way, as this may affect its safety and functionality.
- If using the adapter with a Size Large Plate Bag, ensure that the fit is comfortable and not too tight.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have the BACK PANEL XL ADAPTER and the required Spiritus Systems Assault Back Panel Core and XL LV/119 Rear Plate Bag.
- Select a clean and safe environment for installation.

2. Installation Steps:

- Position the BACK PANEL XL ADAPTER between the Assault Back Panel Core and the XL LV/119 Rear Plate Bag.
- Align the zippers on both sides of the adapter with the zippers on the back panel and plate bag.
- Securely zip the adapter into place, ensuring both zippers are fully engaged.
- Check the fit to confirm that the adapter is properly installed and that there are no gaps.

3. Usage:

- Once installed, adjust the setup as needed to ensure comfort and stability.
- Regularly check the adapter during use to ensure it remains securely attached and functional.

Disposal Instructions

- Dispose of the BACK PANEL XL ADAPTER in accordance with local regulations.
- If the product is damaged or no longer needed, consider recycling where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries or safety concerns regarding the BACK PANEL XL ADAPTER, please contact the relevant EUbased support service or retailer where the product was purchased.

Thank you for your attention to these safety guidelines. Enjoy your experience with the BACK PANEL XL ADAPTER from Spiritus Systems!
