PLACARD 5.56X.45 REPLACEMENT HOOK & LOOP SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the PLACARD 5.56X.45 Replacement Hook & Loop by Spiritus Systems. This product is designed to enhance your experience with the Spiritus Systems Placard, providing a reliable and secure attachment system. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as outlined in this manual.
- Regularly inspect the product for any signs of wear, damage, or deterioration.
- Keep the product out of reach of children and vulnerable individuals unless directly supervised.
- If you experience any issues with the product, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Avoid exposing the product to extreme temperatures or harsh environmental conditions, as this may affect its integrity.
- Do not use the product if it appears damaged or compromised in any way.
- Ensure that all attachments and fastenings are secure before use to prevent accidents.
- Be cautious when handling the product to avoid pinching or other injuries.

Instructions for Installation and Usage

1. Installation

- Identify the appropriate location on your Spiritus Systems Placard where the Hook & Loop backer will be attached.
- Clean the surface of the Placard to ensure proper adhesion.
- Align the Hook & Loop backer with the designated area and press firmly to secure it in place.
- Allow the adhesive to set as per the manufacturer's instructions before applying any weight or tension.

2. Usage

- Attach compatible accessories to the Hook & Loop backer as needed.
- Regularly check the attachment points to ensure they remain secure during use.
- Store the product in a cool, dry place when not in use to prolong its lifespan.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding textile and adhesive waste.
- Do not incinerate the product as it may release harmful substances.
- If the product is no longer usable, consider recycling components where applicable.
