

# THING 2 - SPIRITUS SYSTEMS THING 2 - COYOTE BROWN

[Shooting Accessories](#) > [Tactical Gear](#) > [Chest Rigs](#)

Thing 2 The Spiritus Systems Thing 2 answers the call for end users who need to carry more. Expanding on the incredible modularity of the Micro Fight Chest Rig, The THING 2 allows for the rapid expansion to cover longer duration mission profiles. Using a 500d/1000d Fused laminate married to a Woven Polypropylene Laminate Sheeting we have created a lightweight, hydrophobic and efficient design that is rigid for load bearing excellence. Each side of The Thing 2 has a Rigid 3 Column MOLLE filed for attaching pouches of your choice. On the back side of each MOLLE field there are built in radio/magazine pouches. A Velcro field and retaining loops make attaching your Placard or your Micro Fight Chest Rig simple and fast. This allows for hot swapping of your primary load out from a chest rig to your plate carrier. The retaining loops also serve as tie down points for mission critical equipment. The rear of The Thing 2 has a Velcro lined slot for accepting sub load pouches such as the SACK or Lunchbox. The Thing 2 can accept most placard style systems on the market. Velcro attachment Dimensions 9 1/2 " x 5" Dimensions (Approximate) Height 6" x Width 19" x Depth 2" NOTE: The Thing 2 is part of the Micro Fight Chest Rig System. This item does not include the Micro Fight Mk 4 Chassis, Shoulder Strap, Back Strap, magazine inserts, or any other accessories. Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for Spiritus Systems Thing 2 Coyote Brown

## Introduction

Thank you for choosing the Spiritus Systems Thing 2 in Coyote Brown. This product is designed to enhance your operational capabilities while ensuring safety and comfort during use. Please read this guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- **Product Safety:** Always ensure that the Thing 2 is used as intended. This product is designed for loadbearing and tactical applications.
- **Enhanced Recalls:** Stay informed about any recall notices regarding this product. Follow all instructions provided in the event of a recall.
- **Online Shopping Safety:** When purchasing online, ensure that you buy from reputable sources to guarantee product authenticity and safety.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please refer to the contact details provided by the retailer or manufacturer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recall information.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure the Thing 2 is adjusted correctly to fit your body. A poor fit can lead to discomfort or injury.
- **Load Limits:** Do not exceed the recommended load capacity. Overloading can compromise the integrity of the product and pose safety risks.
- **Inspection:** Regularly inspect the Thing 2 for signs of wear or damage. If any issues are found, discontinue use immediately.
- **Environmental Considerations:** Avoid using the product in extreme conditions that may impair its functionality or your safety.

## Instructions for Installation and Usage

### 1. Attaching Pouches:

- Utilize the Rigid 3 Column MOLLE fields on each side of the Thing 2 to attach pouches securely.
- Ensure that all pouches are firmly attached before use.

### 2. Using the Velcro Field:

- The Velcro field allows for easy attachment of placards or other accessories.
- Align the Velcro surfaces and press firmly to ensure a secure connection.

### 3. Hot Swapping:

- To switch between the chest rig and plate carrier, detach the retaining loops and remove the Thing 2.
- Follow the same procedure to attach the Thing 2 to your preferred loadout.

#### 4. **Sub Load Pouches:**

- The rear Velcro lined slot is designed to accept sub load pouches like the SACK or Lunchbox.
- Ensure that the pouch is securely attached before use.

#### 5. **Adjusting Fit:**

- Adjust the straps and retaining loops for a comfortable fit. Ensure that the product is snug but not restrictive.

## **Disposal Instructions**

- **Environmental Responsibility:** Dispose of the Thing 2 according to local regulations. Do not dispose of in regular household waste.
- **Recycling:** If possible, recycle materials to reduce environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the Thing 2, please refer to the contact information provided by your retailer or the manufacturer. Always ensure that you have the latest information regarding product safety and usage.

Thank you for your attention to these safety guidelines. Enjoy your Spiritus Systems Thing 2 product responsibly!
