Wontons The WONTON is the first product that Spiritus Systems has developed under their "Vehicle/Mobility" product segment. Mobility and organization is key to successful planning and execution of both Tactical Military Operations as well as Adventuring. The Wontons were developed specifically to organize all of your things. Design The WONTONS are built with a mesh material which keeps them lightweight and allows items to rapidly dry. The bags were not meant to be waterproof, there were built to organize items within larger deployment profiles such as vehicles or kit bags. The diagonal zipper allows the pouch to be opened up while remaining relatively flat and easy to access. A single 3/4" webbing loop is provided so the user can hang the pouch with a carabiner and to assist with zipping and unzipping the pouch. Two Zipper pulls are provided for redundancy, even if one fails, you can always zip it closed with the other. These things will last a lifetime. Use Case WONTONS were designed to organize your life. They can be used to organize vehicle kit or deployment kit bags. Their uses are almost endless. S M A L L - (6" W x 12" L) Small WONTONS work well for stowing smaller items such as batteries, cables or other small sensitive equipment. They fit well in places like the door pockets of vehicles and in day packs or carry on luggage. M E D I U M - (12" W x 12" L) Medium WONTONS work well for securing items like clothing or climbing equipment. Medium WONTONS are the go to for organizing duffle bags and tote boxes with all of your deployable kit. L A R G E - (16" W x 16" L) Large WONTONS handle lofty or oversized items well. Everything from high loft jackets to vehicle recovery equipment fit well inside these pouches. Note: This product may be shown with optional accessories. Made in the USA

WONTONS LARGE WONTON BLACK Safety Instruction Guide

Introduction

Thank you for choosing the WONTONS LARGE WONTON BLACK from Spiritus Systems. This product is designed to help you organize your gear effectively. To ensure your safety and the longevity of your product, please read and follow the safety instructions provided in this guide.

General Safety Guidelines

- Always inspect the WONTONS for any damage or wear before use.
- Ensure that the WONTONS are used only for their intended purpose of organizing items.
- Keep the WONTONS out of reach of small children to prevent accidental suffocation or choking hazards.
- Do not overload the WONTONS beyond their intended capacity.
- Store the WONTONS in a cool, dry place when not in use to maintain material integrity.
- If you notice any signs of damage, discontinue use immediately and report it.

Specific Safety Precautions for Use

- **Usage Restrictions:** The WONTONS are not designed to carry heavy or sharp objects that may puncture the material.
- **Moisture Control:** While the WONTONS are made from lightweight mesh material, they are not waterproof. Avoid exposing them to excessive moisture.
- **Zipper Safety:** Always ensure that the zippers are fully closed before moving or storing the bags to prevent items from falling out.
- **Hanging Mechanism:** When using the webbing loop to hang the WONTONS, ensure that it is securely attached and that the carabiner is properly fastened.
- **Heat Sources:** Keep the WONTONS away from open flames or high heat sources to prevent melting or damage to the material.

Instructions for Installation and Usage

Installation

1. **Select a Location:** Choose a suitable location for hanging or storing the WONTONS based on your needs (e.g., vehicle, home, or outdoor setting).
2. **Use the Webbing Loop:** If hanging, attach the webbing loop to a secure point using a carabiner. Ensure it is stable and can support the weight of the items inside.
3. **Organize Contents:** Place items inside the WONTONS according to size and weight, ensuring not to exceed the recommended capacity.

Usage

1. **Opening the WONTONS:** Use the diagonal zipper to open the pouch. Ensure the zipper is fully operational before use.
2. **Accessing Contents:** The design allows for easy access while keeping the pouch relatively flat. Avoid overstuffing to maintain accessibility.
3. **Closing the WONTONS:** Always zip the pouch closed after use to secure contents and prevent loss.

Disposal Instructions

- Dispose of the WONTONS responsibly. Check local regulations for disposal of textile materials.

- If the product is damaged beyond repair, consider recycling the material if possible.
- Do not dispose of the WONTONS in regular household waste if they are still usable; consider donating them to local charities or organizations.
