

# WONTONS - LARGE WONTON - COYOTE BROWN

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Wontons The WONTON is the first product that Spiritus Systems has developed under their "Vehicle/Mobility" product segment. Mobility and organization is key to successful planning and execution of both Tactical Military Operations as well as Adventuring. The Wontons were developed specifically to organize all of your things. Design The WONTONS are built with a mesh material which keeps them lightweight and allows items to rapidly dry. The bags were not meant to be waterproof, there were built to organize items within larger deployment profiles such as vehicles or kit bags. The diagonal zipper allows the pouch to be opened up while remaining relatively flat and easy to access. A single 3/4" webbing loop is provided so the user can hang the pouch with a carabiner and to assist with zipping and unzipping the pouch. Two Zipper pulls are provided for redundancy, even if one fails, you can always zip it closed with the other. These things will last a lifetime. Use Case WONTONS were designed to organize your life. They can be used to organize vehicle kit or deployment kit bags. Their uses are almost endless. S M A L L - (6" W x 12" L) Small WONTONS work well for stowing smaller items such as batteries, cables or other small sensitive equipment. They fit well in places like the door pockets of vehicles and in day packs or carry on luggage. M E D I U M - (12" W x 12" L) Medium WONTONS work well for securing items like clothing or climbing equipment. Medium WONTONS are the go to for organizing duffle bags and tote boxes with all of your deployable kit. L A R G E - (16" W x 16" L) Large WONTONS handle lofty or oversized items well. Everything from high loft jackets to vehicle recovery equipment fit well inside these pouches. Note: This product may be shown with optional accessories. Made in the USA

# WONTONS LARGE WONTON COYOTE BROWN Safety Instructions

## Introduction

Thank you for choosing the WONTONS LARGE WONTON in Coyote Brown. This product is designed to help you organize your gear effectively for various activities, including tactical military operations and adventuring. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure the WONTONS are used only for their intended purpose of organizing items.
- Keep the product out of reach of children to avoid any potential hazards.
- Regularly inspect the WONTONS for any signs of wear or damage before use.
- Do not overload the pouches beyond their intended capacity to prevent damage or failure.
- If you notice any defects or malfunctions, discontinue use immediately and report the issue.

## Specific Safety Precautions for Use

- **Weight Limit:** Ensure that the items stored in the WONTONS do not exceed the recommended weight limit for each size:
  - Small WONTONS: Ideal for lighter items such as batteries and cables.
  - Medium WONTONS: Suitable for clothing and climbing equipment.
  - Large WONTONS: Designed for bulky items like jackets and recovery equipment.
- **Zipper Use:** Always use both zipper pulls to ensure secure closure. If one pull fails, the other can still be used to secure the contents.
- **Hanging:** When using the webbing loop for hanging, ensure it is securely attached to a stable structure to prevent accidental falls.
- **Moisture Management:** While the mesh material allows items to dry quickly, do not store wet items for prolonged periods to avoid mold and mildew.

## Instructions for Installation and Usage

### 1. Organizing Items:

- Open the WONTONS by using the diagonal zipper.
- Place items inside, ensuring they are organized according to size and weight.
- Close the zipper securely, using both pulls for added security.

### 2. Hanging the Pouch:

- Use the provided webbing loop to attach the WONTONS to a carabiner or similar device.
- Ensure the attachment point is stable and can support the weight of the filled pouch.

### 3. Storage:

- Store the WONTONS in a dry, cool place when not in use.
- Avoid exposure to extreme temperatures or direct sunlight for extended periods.

## **Disposal Instructions**

- Dispose of the WONTONS responsibly at the end of its life cycle.
- Check local regulations for guidelines on disposing of textile products.
- If the product is damaged, consider recycling the materials where possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of the WONTONS, please refer to the manufacturer's contact information provided on the packaging or visit the manufacturer's website for more details.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your WONTONS LARGE WONTON. Always prioritize safety and proper usage to enhance your organizational capabilities. Thank you for your attention to these guidelines.
