

WONTONS - SPIRITUS SYSTEMS MEDIUM WONTON - RANGER GREEN

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Wontons The WONTON is the first product that Spiritus Systems has developed under their "Vehicle/Mobility" product segment. Mobility and organization is key to successful planning and execution of both Tactical Military Operations as well as Adventuring. The Wontons were developed specifically to organize all of your things. Design The WONTONS are built with a mesh material which keeps them lightweight and allows items to rapidly dry. The bags were not meant to be waterproof, there were built to organize items within larger deployment profiles such as vehicles or kit bags. The diagonal zipper allows the pouch to be opened up while remaining relatively flat and easy to access. A single 3/4" webbing loop is provided so the user can hang the pouch with a carabiner and to assist with zipping and unzipping the pouch. Two Zipper pulls are provided for redundancy, even if one fails, you can always zip it closed with the other. These things will last a lifetime. Use Case WONTONS were designed to organize your life. They can be used to organize vehicle kit or deployment kit bags. Their uses are almost endless. S M A L L - (6" W x 12" L) Small WONTONS work well for stowing smaller items such as batteries, cables or other small sensitive equipment. They fit well in places like the door pockets of vehicles and in day packs or carry on luggage. M E D I U M - (12" W x 12" L) Medium WONTONS work well for securing items like clothing or climbing equipment. Medium WONTONS are the go to for organizing duffle bags and tote boxes with all of your deployable kit. L A R G E - (16" W x 16" L) Large WONTONS handle lofty or oversized items well. Everything from high loft jackets to vehicle recovery equipment fit well inside these pouches. Note: This product may be shown with optional accessories. Made in the USA

Wontons Spiritus Systems Medium Wonton Ranger Green Safety Instructions

Introduction

Thank you for choosing the Wontons Spiritus Systems Medium Wonton in Ranger Green. This product is designed to help you organize your gear efficiently while ensuring safety during use. Please read the following safety instructions carefully to ensure the safe and effective use of this product.

General Safety Guidelines

- Always inspect the product for any signs of damage before use.
- Use the product only for its intended purpose, which is to organize and store items.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid exposing the product to extreme temperatures or harsh chemicals.
- Regularly check for any wear and tear, especially on zippers and seams.

Specific Safety Precautions for Use

- Ensure that the items stored inside the Wonton do not exceed the bag's capacity, as overloading may cause damage or failure.
- When using the zipper, avoid pinching fingers or other body parts.
- Do not use the Wonton to store hazardous materials or items that could pose a risk if spilled or damaged.
- If using the webbing loop, ensure that it is securely attached to a stable anchor point to prevent accidental detachment.
- Be cautious when hanging the pouch with a carabiner; ensure that the carabiner is rated for the weight being supported.

Instructions for Installation and Usage

1. **Unpacking:** Remove the Wonton from its packaging and inspect it for any damage.
2. **Organizing Items:**
 - For Small Wontons (6" W x 12" L): Use for batteries, cables, or small sensitive equipment.
 - For Medium Wontons (12" W x 12" L): Use for clothing or climbing equipment.
 - For Large Wontons (16" W x 16" L): Use for high loft jackets or vehicle recovery equipment.
3. **Using the Zipper:**
 - Open the zipper slowly and carefully to avoid snagging.
 - Ensure that items are not caught in the zipper when closing.
4. **Hanging the Pouch:**
 - Use the provided webbing loop to hang the pouch securely with a carabiner.
 - Ensure the carabiner is properly closed and secured.
5. **Storage:** Store the Wonton in a dry place when not in use to maintain the integrity of the mesh material.

Disposal Instructions

- Dispose of the Wonton responsibly by following local waste management guidelines.
- If the product is damaged beyond repair, consider recycling the materials if possible.
- Do not burn the product, as it may release harmful substances.

Contact Information for Further Support

For any questions or concerns regarding this product, please refer to the appropriate contact point as indicated on the packaging or product documentation.

Thank you for your attention to these safety instructions. Enjoy your Wontons Spiritus Systems Medium Wonton!
