Wontons The WONTON is the first product that Spiritus Systems has developed under their "Vehicle/Mobility" product segment. Mobility and organization is key to successful planning and execution of both Tactical Military Operations as well as Adventuring. The Wontons were developed specifically to organize all of your things. Design The WONTONS are built with a mesh material which keeps them lightweight and allows items to rapidly dry. The bags were not meant to be waterproof, there were built to organize items within larger deployment profiles such as vehicles or kit bags. The diagonal zipper allows the pouch to be opened up while remaining relatively flat and easy to access. A single 3/4" webbing loop is provided so the user can hang the pouch with a carabiner and to assist with zipping and unzipping the pouch. Two Zipper pulls are provided for redundancy, even if one fails, you can always zip it closed with the other. These things will last a lifetime. Use Case WONTONS were designed to organize your life. They can be used to organize vehicle kit or deployment kit bags. Their uses are almost endless. S M A L L - (6" W x 12" L) Small WONTONS work well for stowing smaller items such as batteries, cables or other small sensitive equipment. They fit well in places like the door pockets of vehicles and in day packs or carry on luggage. M E D I U M - (12" W x 12" L) Medium WONTONS work well for securing items like clothing or climbing equipment. Medium WONTONS are the go to for organizing duffle bags and tote boxes with all of your deployable kit. L A R G E - (16" W x 16" L) Large WONTONS handle lofty or oversized items well. Everything from high loft jackets to vehicle recovery equipment fit well inside these pouches. Note: This product may be shown with optional accessories. Made in the USA

# Safety Instruction Guide for WONTONS SMALL WONTON RANGER GREEN

## Introduction

Thank you for choosing the WONTONS SMALL WONTON in Ranger Green. This product has been designed to help you organize your belongings effectively while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Ensure that the WONTONS are used only for their intended purpose of organizing items.
- Regularly inspect the product for any signs of wear or damage. Do not use if damaged.
- Keep the product away from fire or extreme heat to prevent material degradation.
- Store the WONTONS in a dry place to maintain their integrity and durability.
- Keep out of reach of children unless supervised by an adult to prevent misuse or accidents.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is not intended for children under the age of 12 without adult supervision.
- **Weight Limit:** Do not exceed the recommended weight limit for each size of WONTON to avoid tearing or damage.
- **Zipper Use:** Ensure that no fingers or other body parts are caught in the zipper during operation.
- **Hanging:** When using the webbing loop for hanging, ensure it is securely attached to a stable object to avoid accidental falls.
- **Moisture Management:** While the mesh material allows for rapid drying, avoid prolonged exposure to moisture to prevent mold or mildew.

## Instructions for Installation and Usage

### 1. Organizing Items:

- Choose the appropriate size of WONTON based on the items you wish to store:
  - **Small (6" W x 12" L):** Ideal for batteries, cables, or other small sensitive equipment.
  - **Medium (12" W x 12" L):** Suitable for clothing or climbing equipment.
  - **Large (16" W x 16" L):** Best for oversized items like jackets or recovery gear.

### 2. Using the Zipper:

- Open the pouch by pulling the zipper gently. Ensure that the fabric is clear of obstructions.
- Place your items inside the pouch, ensuring not to overload it.
- Close the zipper securely after use, using the two zipper pulls for redundancy.

### 3. Hanging the Pouch:

- Use the 3/4" webbing loop to attach the pouch to a carabiner or similar device.
- Ensure the attachment is secure before letting go of the pouch.

### 4. Cleaning:

- Clean the WONTONS with a damp cloth as needed. Do not machine wash or dry.

## **Disposal Instructions**

- Dispose of the WONTONS responsibly at the end of their life cycle.
- Check local regulations for the proper disposal of synthetic materials.
- Do not incinerate the product, as it may release harmful substances when burned.
