

SHOE SNAKES - SPIRITUS SYSTEMS 63" SHOE SNAKES - MULTICAM

[Shooting Accessories](#) > [Tactical Gear](#) > [Accessories](#)

Shoe Snakes Spiritus Systems Shoe Snakes officially licensed Multicam and Multicam Black shoe laces. Made in America from US sourced materials, these flat-woven laces were designed to stay securely knotted under prolonged use and stand up to heavy wear and tear. These are great for your Altama OTBs, VANS, or Chuck Taylors. Shoe Snakes come in two sizes to accommodate different sneakers: 45" Length for Low Tops 63" Length for High Tops Unsure of what size to get? Pull your lace out of your shoe and measure it, then select the lace size that matches best. Spiritus Systems is the ONLY place to get 45" and 63" inch length laces. Each package comes with a pair of laces. Note: This product may be shown with optional accessories. Made in the USA

Safety Instruction Guide for Shoe Snakes Spiritus Systems 63" Shoe Snakes Multicam

Introduction

Thank you for choosing Shoe Snakes Spiritus Systems 63" Shoe Snakes. These laces are designed for durability and performance, made from highquality materials sourced in the USA. This safety instruction guide provides essential safety information and usage instructions to ensure a safe and enjoyable experience with your new laces.

General Safety Guidelines

- Ensure that the laces are used only for their intended purpose, which is to secure footwear.
- Keep laces out of reach of small children to prevent choking hazards.
- Regularly inspect the laces for signs of wear or damage. Replace them if fraying or other damage is observed.
- Do not use the laces if they become entangled or if there is a risk of tripping.
- Follow all care instructions to maintain the integrity of the laces.

Specific Safety Precautions for Use

- When tying your laces, ensure that they are securely knotted to prevent them from coming undone during use.
- Avoid pulling excessively on the laces as this may cause them to stretch or break.
- Do not use the laces in conjunction with any other products not intended for use with them.
- If you experience any allergic reactions to the laces, discontinue use immediately and consult a medical professional.

Instructions for Installation and Usage

1. Measuring the Lace Length

- Pull the existing laces out of your shoe and measure their length.
- Choose the appropriate length: 45" for low tops and 63" for high tops.

2. Installing the Laces

- Begin by threading one end of the lace through the bottom eyelet of the shoe.
- Ensure that both ends of the lace are even in length.
- Continue threading the lace through the eyelets in a crisscross pattern until you reach the top.
- For a secure fit, tie the laces in a double knot.

3. Usage Tips

- Adjust the tightness of the laces to your comfort level.
- For optimal performance, check the laces periodically during use to ensure they remain securely tied.

Disposal Instructions

- Dispose of any damaged or worn laces responsibly.
- If the laces are made from recyclable materials, please follow local recycling guidelines.
- Do not dispose of laces in a manner that may pose a risk to the environment or wildlife.
