# **PACESETTER RIFLE THREEDIE SETS LEE PRECISION 8.6 BLACKOUT PACESETTER 3DIE SET Safety Instruction Guide**

## **Introduction**

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Ensure that the product is used in accordance with all local laws and regulations regarding firearms and ammunition.
- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when reloading ammunition.
- Keep the workspace clean and organized to prevent accidents.
- Store all components in a secure location, away from children and unauthorized users.
- Regularly inspect the equipment for signs of wear or damage before use.
- Follow all manufacturer's instructions and recommendations for use and maintenance.
- In case of any malfunction or accident, stop using the product immediately and seek professional assistance.

## **Specific Safety Precautions for Use**

### **• Hazard Identification:**

- Improper handling of reloading equipment can lead to serious injuries.
- Use of damaged or worn components can result in malfunction or accidents.
- Exposure to lead from ammunition can pose health risks.

### **• Avoiding Hazards:**

- Always check the condition of the dies and other components before use.
- Ensure that the reloading press is securely mounted to a stable surface.
- Avoid distractions while reloading to maintain focus and attention.
- Do not exceed recommended powder charges as specified in reliable load data.
- Keep all reloading materials, including powder and primers, in a cool, dry place.

### **• Age Restrictions:**

- This product is intended for use by individuals aged 18 years and older.
- Ensure that minors are supervised by a responsible adult when using this equipment.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Securely mount the reloading press to a stable workbench or table.
- Attach the Full Length Sizing Die, Bullet Seating Die, and Factory Crimp Die to the press according to the manufacturer's instructions.

- Insert the Universal Shell Holder into the press to accommodate the 8.6 Blackout cartridge.

## **2. Usage:**

- Follow the instructions provided with the product for loading ammunition.
- Use the Powder Dipper to measure the appropriate amount of powder for each cartridge.
- Carefully seat bullets using the Bullet Seating Die, ensuring proper depth and alignment.
- Apply a factory crimp using the Factory Crimp Die to secure the bullet in place.
- After reloading, inspect each cartridge for proper assembly and function.

## **Disposal Instructions**

- Dispose of any unused or expired reloading materials in accordance with local regulations.
- Do not dispose of lead or other hazardous materials in regular trash.
- Contact local waste management authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the PACESETTER RIFLE THREEDIE SET, please refer to the manufacturer's website or contact their customer support service for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. Always prioritize safety and compliance with local laws when handling firearms and ammunition. Thank you for your attention to these important safety measures.
