# Safety Instruction Guide for LOWER PARTS KIT FOR GLOCK® 17/19

## Introduction

Thank you for purchasing the Brownells Lower Parts Kit for Glock® 17/19. This guide provides essential safety instructions and information to ensure the safe and proper use of the product. Please read this guide carefully before using the kit.

## General Safety Guidelines

- Ensure all parts are compatible with your Glock, Polymer 80, or SCT frames before installation.
- Always handle firearms and related components with care and respect.
- Keep all parts out of reach of children and unauthorized users.
- Regularly inspect components for wear or damage before use.
- Do not attempt to modify or alter the parts in any way that could compromise safety.
- Always adhere to local laws and regulations regarding firearm assembly and usage.

## Specific Safety Precautions for Use

- Only use this kit with the specified models: Glock 17 and Glock 19.
- Ensure that you are trained and knowledgeable about firearm safety and assembly.
- Wear appropriate safety gear, such as eye protection, during installation.
- Never point a firearm at anything you do not intend to shoot.
- Store all parts in a secure location when not in use.

## Instructions for Installation and Usage

### 1. Preparation

- Gather all necessary tools and materials for assembly.
- Ensure you are in a welllit and safe environment.

### 2. Installation Steps

- Carefully review the parts included in the kit.
- Follow the manufacturer's instructions for assembling the frame.
- Ensure each part is securely fitted and properly aligned.

### 3. PostInstallation Check

- Inspect the assembled frame for any loose components.
- Perform a function check to ensure proper operation before use.

### 4. Usage

- Always follow firearm safety rules when handling the assembled firearm.
- Store the firearm in a secure location when not in use.

## Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not dispose of parts in regular household waste. Check for local recycling or hazardous waste disposal

options.
