[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Wilson Combat Adjustable Target/Tactical Rear Sight for Colt 2020 Python/Anaconda This rugged, fully-adjustable replacement rear sight of hardened chromoly steel has an improved sight picture, reliable adjustments and a superior fit in your revolver's frame. This heavy duty sight can make a great gun even better and allows for easy adjustment in the field. These sights have generous elevation and windage adjustment and are easy to install. The rear blade with your choice of square notch (target) or U-notch (tactical) has radiused edges and is partially serrated to reduce glare and is a perfect match for the factory front sight. NOTE: This sight will ONLY fit new production Colt 2020 Python and Anaconda models and will not fit any other older model handguns. U-NOTCH SPECS Material: Chromoly Steel, black oxide finish Blade Type: Partially serrated U-Notch Rear sight notch width/depth: .150" width, .099" depth Dovetail: 2020 New Colt Python and Anaconda only Elevation Adjustments: Yes Windage Adjustments: Yes SQUARE NOTCH SPECS Material: Chromoly Steel, black oxide finish Blade Type: Partially serrated Square Notch Rear sight notch width/depth: .135" width, .099" depth Dovetail: 2020 New Colt Python and Anaconda only Elevation Adjustments: Yes Windage Adjustments: Yes

# Safety Instruction Guide for Wilson Combat Rear Battlesight for 2020 Colt Python/Anaconda

## Introduction

Thank you for choosing the Wilson Combat Adjustable Target/Tactical Rear Sight for your Colt 2020 Python or Anaconda. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your new rear sight. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is compatible with Colt 2020 Python or Anaconda models only. This sight will NOT fit older models.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the sight regularly for any signs of wear or damage.
- If you notice any defects or issues, cease use immediately and consult a qualified gunsmith.

## Specific Safety Precautions for Use

- Use the rear sight only for its intended purpose: as a sighting device for your Colt 2020 Python or Anaconda.
- Avoid using the sight in adverse weather conditions that may impair visibility or affect its functionality.
- Be aware of your surroundings when using your firearm equipped with this sight, ensuring a safe shooting environment.
- Always wear appropriate eye and ear protection when shooting.
- Ensure the firearm is unloaded when installing or adjusting the rear sight.

## Instructions for Installation and Usage

### Installation Instructions

1. **Preparation:** Ensure your firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Sight:** If applicable, carefully remove the existing rear sight using appropriate tools.
3. **Install the New Sight:**
  - Align the dovetail of the new rear sight with the dovetail slot on the firearm.
  - Gently tap the sight into place using a nonmarring tool to avoid damage.
4. **Adjust for Fit:** Ensure the sight is securely fitted and does not move. Adjust as necessary.
5. **Test the Functionality:** Once installed, check the sight for proper alignment and functionality before use.

### Usage Instructions

- Adjust the elevation and windage settings to suit your shooting preferences.
- For square notch, use the serrated edge to reduce glare.
- For Unotch, ensure the sight picture is clear and unobstructed.
- Regularly check the settings before shooting to ensure accuracy.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and firearm accessories.
- Do not dispose of the sight in regular household waste.
- Consider recycling options for metal components if available.

## **Contact Information for Further Support**

For any inquiries related to safety or product concerns, please contact your local authorized dealer or visit the Wilson Combat website for additional resources and support.

## **Conclusion**

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Wilson Combat Rear Battlesight. Always prioritize safety and responsible firearm handling. Thank you for your commitment to safety and for choosing Wilson Combat.
