AK Picatinny End Plate Adaptor Safety Instruction Guide

Introduction

Thank you for purchasing the AK Picatinny End Plate Adaptor from Midwest Industries. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, including eye protection, when installing or handling the adaptor.
- Keep the product and all related tools out of reach of children and unauthorized users.
- Inspect the adaptor and your firearm for any signs of damage before use.
- Do not use the adaptor if it is damaged or if any parts are missing.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- This adaptor is designed for use with AKM pattern rifles, 4.5 Pin Size, 5.5 Pin Size, or Yugo Models only.
- User must cut off the stock tang to install the adaptor. Ensure that this modification is performed by a qualified gunsmith if you are unsure of the process.
- Additional gunsmithing may be required depending on the specific firearm model.
- Ensure that the adaptor is securely installed before using the firearm.
- Regularly check the adaptor for tightness and wear to prevent accidents.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools: a suitable cutting tool, wrenches, and any other tools specified in the installation instructions.
- Ensure the firearm is unloaded and pointed in a safe direction.

2. Installation Steps:

- Remove the existing stock tang from your firearm as per the manufacturer's instructions.
- Choose the correct End Plate Adaptor based on your specific firearm model (AKM pattern, 4.5 Pin Size, 5.5 Pin Size, or Yugo Models).
- Align the adaptor with the trunnion of the firearm.
- Securely attach the adaptor using the provided hardware and tools, ensuring it is a snug fit.
- Verify that the adaptor is properly installed and does not move or shift.
- Allow for the use of 1913 style fixed or side folding stocks once the adaptor is installed.

3. PostInstallation:

- Conduct a function check to ensure that the firearm operates correctly with the new adaptor installed.
- Familiarize yourself with the operation of the firearm and the new stock configuration.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the adaptor becomes damaged beyond repair, dispose of it in a manner that prevents any risk of injury to others.

Contact Information for Further Support

For any safety inquiries or additional support regarding the AK Picatinny End Plate Adaptor, please reach out to your local retailer or manufacturer. Ensure you have the product details and any relevant information ready for assistance.

Thank you for prioritizing safety and following these guidelines while enjoying your new product.
