

# AK ADJUSTABLE GAS PISTON - KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM C39V2 PISTOL, SMALL BORE

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Pistons](#)

## Control Your Overgassed AK-style Rifle

The AK platform, though renowned for its reliability and durability in battlefield conditions, has a well-known flaw: its gas system is hugely overgassed.

Luckily, the market stepped up to provide a solution in the form of the KNS Precision AK Adjustable Gas Piston. How do you know if your AK-style rifle needs better gas regulation? Head to the range, fire a few rounds and see how far your brass ejects. If it's hitting the ground more than 15 feet away, then you need the KNS Precision AK Adjustable Gas Piston. This setup helps to reduce wear on the gun, providing for a longer operating life. Uses existing gas block Small-caliber piston designed for .223 Rem., 5.56 NATO and 5.45x39mm Large-caliber piston designed for 7.62x39mm, .308 Win., and 7.62x54R. Fits AKM, AK-74, VEPR, PSL and M92 rifles. Each KNS Precision AK Adjustable Gas Piston can be installed without the use of a gunsmith in the space of 10 minutes, ensuring you can get back onto the range with little downtime.

\* Vepr and Saiga Pistons will require drilling through the op-rod after screwing the piston into the carrier, due to variations in the staking location. These Op-Rods are Phosphated instead of Nitrided to allow easy drilling.\*

## Attributes

- Name: [KNS PRECISION ADJUSTABLE GAS PISTON SYSTEM C39V2 PISTOL, SMALL BORE](#)
- Manufacturer: [KNS PRECISION](#)
- Product no.: 430105263
- Mfr. No.: AGP-A-23S
- Make: -
- Model Number: CR9V2 Small Bore
- Delivery weight: 0.159kg
- Shipping height: 13mm
- Shipping width: 102mm
- Shipping length: 279mm
- UPC: 853906008454

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for AK Adjustable Gas Piston System

## Introduction

Thank you for choosing the KNS Precision Adjustable Gas Piston System for your AKstyle rifle. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your product. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your AKstyle rifle before using the KNS Precision Adjustable Gas Piston System.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Store the adjustable gas piston in a safe place, away from children and unauthorized users.
- Regularly inspect your firearm and the gas piston for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and ammunition.

## Specific Safety Precautions for Use

- Only use the KNS Precision Adjustable Gas Piston System with compatible calibers:
  - Smallcaliber piston: .223 Rem., 5.56 NATO, and 5.45x39mm
  - Largecaliber piston: 7.62x39mm, .308 Win., and 7.62x54R
- Ensure that the piston is properly installed before firing the rifle.
- Do not modify the gas piston or any components of your firearm.
- Be aware of your surroundings and ensure that you have a safe shooting area.
- If you experience excessive recoil or malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove the existing gas block from your AKstyle rifle.
3. Carefully install the KNS Precision Adjustable Gas Piston into the gas block.
4. Secure the gas piston according to the manufacturer's specifications.
5. Reassemble the rifle and perform a safety check to ensure proper function.

### Usage

- After installation, head to the range to test the gas piston.
- Fire a few rounds and observe the ejection pattern of the brass.
- If the brass ejects more than 15 feet away, consider adjusting the gas piston to optimize performance.
- Regularly check for proper function and adjust as necessary for optimal performance.

## Disposal Instructions

- Dispose of the KNS Precision Adjustable Gas Piston System in accordance with local regulations.
- Do not dispose of any firearm components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries related to safety or product information, please refer to the official KNS Precision website or contact your local distributor.

By following these guidelines, you can help ensure a safe and enjoyable experience with your KNS Precision Adjustable Gas Piston System. Thank you for your attention to safety, and enjoy your shooting experience!
