[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Starter Kit Contents (1) Gen 3 S15 magazines black nitride (1) Glock® 43X / 48 steel mag catch black nitride Combo Kit Contents (3) Gen 3 S15 magazines black nitride (1) Glock® 43X / 48 steel mag catch black nitride Mag Catch Requirement It is required to swap out your plastic OEM mag catch with either Shield Arms' standard steel mag catch or their premium steel mag catch. Here's why. If you don't swap your mag catch you may have reliability issues. If you use another manufacturer's mag catch you may have reliability issues. Gen 2 and 3 magazines were designed to work with Shield Arms steel mag catches. If you have a first generation aluminum mag catch, it is required to upgrade to one of our steel mag catch offerings.

S15 GEN3 Magazine Combo Kits for Glock 43X/48

Safety Instruction Guide

Introduction

Thank you for choosing the S15 GEN3 Magazine Combo Kits for your Glock 43X/48. This guide provides essential safety instructions and precautions to ensure the safe use of your product. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure you are familiar with the operation of your Glock 43X/48 before using the S15 GEN3 magazines.
- Always follow local laws and regulations regarding firearm use and magazine capacity.
- Store your magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your magazines for signs of wear, damage, or malfunction.
- In case of any malfunction, do not attempt to repair the magazine yourself. Seek professional assistance.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Mag Catch Requirement:**
 - It is mandatory to replace your plastic OEM mag catch with either Shield Arms' standard steel mag catch or their premium steel mag catch.
 - Failure to do so may result in reliability issues during operation.
- **Compatibility:**
 - Ensure that your magazine is compatible with your specific model of Glock (43X/48).
 - Use only Shield Arms magazines with Shield Arms steel mag catches for optimal performance.
- **Age Restrictions:**
 - This product is intended for use by individuals who are of legal age to own and operate firearms in their jurisdiction.
- **Vulnerable Groups:**
 - Keep the product away from children and individuals who may not understand the risks associated with firearm accessories.

Instructions for Installation and Usage

Installation Instructions

1. Remove the OEM Mag Catch:

- Unload your firearm and ensure it is safe to handle.
- Follow the manufacturer's instructions to remove the plastic OEM mag catch from your Glock 43X/48.

2. Install the Steel Mag Catch:

- Choose either the standard or premium steel mag catch from Shield Arms.
- Install the new mag catch by following the manufacturer's installation instructions.

3. Insert the S15 Magazine:

- Ensure that the magazine is properly seated in the mag well.
- Test the magazine release function to ensure it operates smoothly.

Usage Instructions

- Always ensure your firearm is pointed in a safe direction when loading or unloading.
- Load the S15 magazine according to the manufacturer's guidelines, ensuring not to exceed the maximum capacity.
- Practice safe handling procedures at all times, treating every firearm as if it is loaded.
- If you experience any issues with the magazine, such as feeding problems or failure to eject, cease use immediately and inspect the magazine for damage.

Disposal Instructions

- Dispose of any damaged or worn magazines in accordance with local regulations.
- Do not dispose of magazines in regular household waste. Consider recycling options or safe destruction methods.

Contact Information for Further Support

For any inquiries or concerns regarding the S15 GEN3 Magazine Combo Kits, please refer to the manufacturer's contact details provided with your product packaging. It is essential to have access to support for any safety-related questions or issues.

Thank you for following these safety instructions. Your safety and the safety of others depend on responsible handling and usage of firearm accessories.
