[Magazines](#) > [Handgun Magazines](#) > [Magazines](#)

Starter Kit Contents (1) Gen 3 S15 magazines black nitride (1) Glock® 43X / 48 steel mag catch black nitride Combo Kit Contents (3) Gen 3 S15 magazines black nitride (1) Glock® 43X / 48 steel mag catch black nitride Mag Catch Requirement It is required to swap out your plastic OEM mag catch with either Shield Arms' standard steel mag catch or their premium steel mag catch. Here's why. If you don't swap your mag catch you may have reliability issues. If you use another manufacturer's mag catch you may have reliability issues. Gen 2 and 3 magazines were designed to work with Shield Arms steel mag catches. If you have a first generation aluminum mag catch, it is required to upgrade to one of our steel mag catch offerings.

S15 GEN3 MAGAZINE COMBO KITS FOR GLOCK 43X/48 Safety Instruction Guide

Introduction

Thank you for choosing the S15 GEN3 MAGAZINE COMBO KITS FOR GLOCK 43X/48. This guide provides important safety instructions and information to ensure the safe use of your new product. Please read this guide carefully before use.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe when used properly. Ensure you follow all safety guidelines.
- **Enhanced Recalls:** In the event of a product recall, you will be notified through standardized recall notices. Free remedies will be provided for any dangerous products.
- **Online Shopping:** This product meets the same safety requirements as those sold in physical stores, ensuring your online purchase is safe.
- **Special Consumer Focus:** Extra precautions are in place to protect vulnerable groups, including children. Keep this product out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the appropriate EU-based contact.
- **Rapid Alerts:** Stay updated on any unsafe products through the EU's Safety Gate system.

Specific Safety Precautions for Use

- Always ensure that the magazine is empty before handling or installing.
- Do not use the product if you notice any signs of damage or wear.
- Only use the product with the specified Glock® models (43X and 48).
- Ensure the magazine catch is properly installed to avoid reliability issues.
- Avoid using magazines from other manufacturers as they may not be compatible and could cause malfunctions.
- Keep the product away from heat sources and moisture to prevent damage.
- Regularly inspect the magazine and catch for any signs of wear.

Instructions for Installation and Usage

1. Installation of the Steel Mag Catch:

- Remove the existing plastic OEM mag catch from your Glock® 43X/48.
- Install either Shield Arms' standard steel mag catch or premium steel mag catch.
- Ensure that it is securely in place before proceeding.

2. Using the S15 GEN3 Magazines:

- Load the magazine with the appropriate 9 mm Luger cartridges.
- Insert the magazine into the Glock® 43X/48 until you hear a click, indicating it is locked in place.
- To release the magazine, press the mag catch firmly and pull the magazine out.

3. Maintenance:

- Clean the magazine and mag catch regularly to ensure optimal performance.
- Use a soft cloth and appropriate cleaning solutions to avoid damaging the finish.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Ensure that any used magazines are disposed of safely to prevent injury.

Contact Information for Further Support

For any questions or further assistance regarding the S15 GEN3 MAGAZINE COMBO KITS FOR GLOCK 43X/48, please refer to the appropriate resources available in your region.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your new product responsibly.
