

AR-15 UPPER RECEIVER COMPLETION KITS - BROWNELLS BRN M16/SLICKSIDE UPPER RECEIVER COMPLETION KIT

[Home](#)

Complete any type of AR-15 Upper Receiver with these Completion Kits! Whether you have an old school retro slickside carry handle upper or a modern M4 flat top, one of these kits is the solution to complete your build. Each kit is specifically composed to include parts that are correct for a particular receiver, and no unnecessary extras. Available in the following configurations: M16 Slickside - Meant for early M16 carry handle upper receivers without a forward assist and using an A1 rear sight assembly. Includes proper A1 ejection port cover. M16A1/C7 - Intended for later M16A1 and Canadian C7 type receivers, with a teardrop forward assist and an A1 rear sight assembly. Includes proper A1 ejection port cover. M16A2 - For use with the 1980s classic A2 carry handle upper receiver, with round forward assist and A1 rear sight assembly. Includes an A2 ejection port cover. M4 - Use on any flattop upper with a forward assist. Includes round forward assist and A2 ejection port cover. No sight assembly included.

Safety Instruction Guide for AR15 Upper Receiver Completion Kits

Introduction

Thank you for purchasing the AR15 Upper Receiver Completion Kits from Brownells. This guide provides essential safety instructions, installation procedures, and disposal information to ensure the safe and effective use of your product. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep all parts and tools out of reach of children and vulnerable individuals.
- Always wear appropriate safety gear, including eye protection, when handling firearm components.
- Inspect all parts for damage before installation. Do not use damaged components.
- Follow all local laws and regulations regarding firearm assembly and use.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunction or injury.
- Firearms can discharge unintentionally if not handled properly.

- **Avoiding Hazards:**

- Always ensure the firearm is unloaded before starting any work.
- Use tools that are appropriate for the task and in good condition.
- Do not force parts together; if they do not fit, doublecheck compatibility and alignment.

- **AgeRelated Warnings:**

- These kits are intended for use by individuals aged 18 and over.
- Ensure that minors are supervised by a responsible adult when handling or assembling firearm components.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components.
- Ensure you have a clean, welllit workspace.

2. Installation Steps:

- **M16 Slickside:**
 - Attach the A1 ejection port cover.
 - Ensure the rear sight assembly is properly aligned.
- **M16A1/C7:**
 - Install the teardrop forward assist.
 - Attach the A1 rear sight assembly and ensure it is secure.
- **M16A2:**
 - Install the round forward assist.

- Attach the A2 ejection port cover.
- **M4:**
 - Ensure the round forward assist is properly installed.
 - Confirm that the A2 ejection port cover is securely attached.

3. Final Checks:

- After installation, doublecheck all components for security and proper alignment.
- Test the functionality of the assembly in a safe environment, ensuring it operates as intended.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not discard components in regular household waste.
- Contact local recycling centers for proper disposal methods for firearm components.

Contact Information for Further Support

For further assistance or inquiries regarding safety concerns, please refer to the manufacturer's contact information provided with your product packaging. Ensure you have your product details ready for a more efficient response.

Thank you for taking the time to read this safety instruction guide. Your safety and satisfaction are our top priorities. Enjoy your AR15 Upper Receiver Completion Kit responsibly!
