# Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 30M1 QUICK TRIM DIE

## Introduction

Thank you for choosing the QUICK TRIM DIES LEE PRECISION 30M1 QUICK TRIM DIE. This product is designed to enhance your reloading experience by providing precise trimming for your 30 Mauser cartridges. However, safety is paramount. This guide provides important safety instructions to ensure your safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- Do not use the product if it is damaged or not functioning properly.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate safety gear, including eye protection, when using the trimming die.
- Ensure that the case trimmer is securely mounted and stable before use.
- Do not exceed the recommended cartridge specifications for the trimming die.
- Keep hands and body clear of moving parts during operation.
- Avoid distractions while operating the trimming die to maintain focus.
- Follow all manufacturer instructions for compatible equipment and accessories.

## Instructions for Installation and Usage

### 1. Installation

- Ensure that the Lee Deluxe or Lee Value Trim Case Trimmer is properly assembled and in good working condition.
- Attach the QUICK TRIM DIE to the case trimmer by following these steps:
  - Unscrew the die lock ring.
  - Insert the die into the trimmer housing.
  - Securely tighten the die lock ring to hold the die in place.
- Check that the die is aligned correctly for optimal performance.

### 2. Usage

- Select the appropriate cartridge (30 Mauser) for trimming.
- Insert the cartridge case into the trimmer.
- Activate the trimmer according to the manufacturer's instructions.
- Monitor the trimming process to ensure proper operation.
- Once trimming is complete, remove the cartridge case and inspect it for any irregularities.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated waste disposal facility.
- Ensure that all packaging materials are recycled or disposed of responsibly.

## Contact Information for Further Support

For any questions or concerns regarding the QUICK TRIM DIES LEE PRECISION 30M1 QUICK TRIM DIE, please refer to the manufacturer's contact information provided in the product packaging or user manual.

Thank you for prioritizing safety while using the QUICK TRIM DIES LEE PRECISION 30M1 QUICK TRIM DIE. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
