[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Experience the fastest resetting trigger on the market when you add the I.T.T.S. aka Improved Tyrant Trigger System for the Glock Gen 5 to your arsenal. This powerful trigger for the full-frame Glock platforms is equipped with high-performing features, making for an ultra-effective tool with a greater level of efficiency and precision than other standard carry triggers. Aggressive Trigger Resets Launch a rapid-fire session at any time with the Glock Gen 5 trigger's superior trigger resets. The I.T.T.S. is armed with a 30 percent power spring to ensure lightning-fast resets after every shot. When this power spring is in use, the trigger and the sear become re-engaged and you can fire the pistol again with full force. Overall, the I.T.T.S. boasts a stronger reset over other standard triggers, making it one of the best-performing Glock triggers that you can find. Optimize every shot you take with the precision, efficiency and durability of the I.T.T.S. Glock Trigger for Gen 5. Flat Faced Trigger Features Get the most out of your Glock Gen 5 trigger with this high-performing hybrid model. The Tyrant Designs CNC I.T.T.S. is a cross between a curved trigger and a flat faced trigger, letting you enjoy the best of both worlds. With help from flat faced features, their Glock trigger helps ensure a uniform trigger pull with every shot. Curved Trigger Features Reap the benefits of a curved trigger along with a flat faced trigger when you use their Glock trigger. This trigger is intentionally designed with some of the best elements of a curved trigger to make every shot as efficient and direct as possible. One of the most notable benefits of the I.T.T.S. ergonomic design. Because this Glock trigger is highly influenced by the setup of a curved trigger, the trigger's lip has an enhanced curve feature that helps create consistency on initial and follow up shots. Additionally, you have the opportunity to benefit from the comfortable, intuitive setup of the I.T.T.S. The curved features of this product allow for a taller trigger, which helps provide a greater sense of comfort for users with larger hands. High Durability Enjoy your Glock Gen 5 trigger for years to come with help from its highly durable design. Every feature of this product is built to ensure that it lasts for an extended period of time, even with continued use. The I.T.T.S. is also made with set screws in lieu of pins to boost the strength and sturdiness of the trigger. Not only do these screws improve the overall performance of the product, but they also simplify every step of the maintenance process for optimal ease of use.

# Safety Instruction Guide for I.T.T.S. Trigger with Safety Shoe for Glock Gen5

## Introduction

Thank you for choosing the I.T.T.S. Trigger with Safety Shoe for Glock Gen5. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before using the trigger to understand the precautions and instructions necessary for safe operation.

## General Safety Guidelines

To ensure safe use of the I.T.T.S. Trigger, please adhere to the following guidelines:

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the trigger is installed correctly and securely before use.
- Do not modify the trigger or any components beyond the manufacturer's specifications.
- Store the firearm and trigger in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage before use.
- Only use ammunition that is appropriate for your Glock Gen5 model.
- Be aware of your surroundings and ensure that you have a clear and safe area to shoot.

## Specific Safety Precautions for Use

When using the I.T.T.S. Trigger, please consider the following safety precautions:

- **Trigger Engagement:** Ensure that the trigger is fully engaged before attempting to fire. Improper engagement may result in misfires or unintended discharges.
- **Power Spring:** The I.T.T.S. features a 30 percent power spring for rapid resets. Be cautious when handling the trigger to avoid accidental discharges.
- **Ergonomic Design:** The ergonomic design is intended to enhance comfort and control. However, ensure that your hand position does not obstruct the trigger's movement.
- **User Experience:** If you are inexperienced with firearms or triggers, seek guidance from a qualified instructor before use.

## Instructions for Installation and Usage

Follow these instructions carefully to install and use the I.T.T.S. Trigger:

### 1. Installation:

- Ensure the firearm is unloaded and the magazine is removed.
- Disassemble the Glock Gen5 according to the manufacturer's instructions.
- Remove the existing trigger and replace it with the I.T.T.S. Trigger, ensuring that it is properly seated.
- Secure the trigger using the provided set screws. Ensure that all screws are tightened to prevent movement.
- Reassemble the firearm and perform a function check to ensure proper operation.

### 2. Usage:

- Always follow the fundamental rules of firearm safety.
- Practice dry firing in a safe environment to familiarize yourself with the trigger's reset and feel.

- When ready to fire, ensure that you are in a safe shooting position and that your target area is clear.
- Fire the weapon as intended, allowing the trigger to reset fully after each shot for optimal performance.

## **Disposal Instructions**

When disposing of the I.T.T.S. Trigger, please follow these guidelines:

- Dispose of the trigger and any components in accordance with local regulations regarding electronic waste and firearm components.
- Do not dispose of the trigger in regular household waste. Check for local recycling programs or hazardous waste disposal facilities.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the I.T.T.S. Trigger, please refer to the manufacturer's contact information provided with your product packaging.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your I.T.T.S. Trigger for Glock Gen5. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
