[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The ELG M-LOK Stock is designed to provide Marlin lever-action rifle shooters a stock with maximum adaptability that optimizes their iconic firearm. With adjustable length-of-pull (LOP) and comb height for various types of optics, storage of extra ammunition or accessories in a weatherized portion of the stock, and the ability to attach various Magpul M-LOK accessories and slings, Magpul brings new capability to the lever-action rifle. The stock allows for a one and a half (1.5") inches of overall LOP adjustment (from 12.5" to 14.0" in 0.5" increments). The stock ships with a cheek riser and 2 x 0.25" shims for a total comb height adjustment of 0.75", which attaches to the internal storage compartment door. The stock has an internal storage area, complete with a quiver for six (6) .45-70 Gov't or 30-30 Win cartridges, and an open storage compartment insert. The stock also accepts Type 1 or Type 2 QD cups for a mounting a sling, and two (2) M-LOK slots reside on each side of the stock for further accessory mounting options such as an ammo saddle. Rounding out the stock's state-of-the-art feature set is a sling swivel located in the bottom of the pistol grip which allows for shorter slings and a higher muzzle-down carry option. Adjustable LOP (1.5" total adjustability in 0.5" increments) and comb height (0.75" total adjustability in 0.25" increments) On-board ammo storage that is modifiable to other storage needs Includes both a quiver for six (6) .45-70 Gov't or 30-30 Win cartridges and an open storage compartment insert M-LOK slots for accessories Proprietary recoil pad Sling-swivel on pistol grip allows for easy carry COMPATIBILITY - The stock is compatible with the Marlin 1895, 1894, and 336 receivers. Pre-Ruger® and Remington-built Marlin rifles are compatible with this stock. Cheek Height Adjustment Range - Adjustable by 1/4" increments to 0.75" with cheek riser and spacers LOP Adjustment Range - 12.5" - 14.0", in half-inch increments Length - 12.4 in. Length, max -13.9 in. Height, max - 5.2 in. Weight - 1.25 lbs, at max LOP and no cheek risers Width, max - 1.5 in.

MARLIN 1895/1894/336 ELG MLOK BUTTSTOCKS MAGPUL ELG MLOK STOCK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MARLIN 1895/1894/336 ELG MLOK Buttstocks Magpul ELG MLOK Stock. This product is designed to enhance the functionality of your Marlin leveraction rifle while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and responsibly.

General Safety Guidelines

- Always treat your firearm and its components as if they are loaded.
- Ensure that the stock is compatible with your specific Marlin model (1895, 1894, or 336).
- Before installation, inspect the stock for any visible damage or defects.
- Keep the stock and all accessories out of reach of children and unauthorized users.
- Store ammunition separately from the firearm and stock.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- **Adjustable Length of Pull (LOP):**
 - Ensure that the LOP is adjusted correctly before use. The stock allows for adjustments between 12.5 inches and 14.0 inches in 0.5 inch increments.
 - Do not exceed the maximum LOP adjustment.
- **Cheek Height Adjustment:**
 - Utilize the cheek riser and shims provided to achieve the desired comb height. Adjustments can be made in 1/4 inch increments up to a total of 0.75 inches.
- **Internal Storage:**
 - The stock features an internal storage area for ammunition. Only store .4570 Gov't or 3030 Win cartridges as specified.
 - Ensure that the storage compartment is securely closed before using the firearm.
- **MLOK Slots:**
 - Use only compatible accessories with the MLOK slots. Ensure that all accessories are securely attached before use.
- **Sling Swivel:**
 - The sling swivel located on the pistol grip allows for easy carry. Ensure that the sling is properly mounted and secured before carrying the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing stock according to the manufacturer's instructions.

- Align the new Magpul ELG MLOK Stock with the receiver and securely attach it using the provided hardware.
- Tighten all screws to the manufacturer's specifications to ensure a secure fit.

2. Adjusting Length of Pull:

- To adjust the LOP, loosen the adjustment screw located on the stock.
- Slide the stock to the desired length and retighten the screw securely.

3. Adjusting Cheek Height:

- Remove the cheek riser and shims from the internal storage compartment.
- Adjust the cheek height using the provided spacers to achieve the desired position.
- Reattach the cheek riser and ensure it is securely fastened.

4. Storing Ammunition:

- Open the internal storage compartment and place the cartridges in the quiver.
- Ensure that the compartment door is closed securely after loading.

5. Using MLOK Accessories:

- Attach MLOK accessories by sliding them into the MLOK slots and securing them with the provided hardware.
- Check the accessories for tightness before use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not dispose of the stock in regular household waste. Check for recycling options in your area.
- Ensure that any remaining ammunition is disposed of safely and in accordance with local laws.

Contact Information for Further Support

For any questions or concerns regarding the MARLIN 1895/1894/336 ELG MLOK Buttstocks Magpul ELG MLOK Stock, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Marlin leveraction rifle and the Magpul ELG MLOK Stock. Always prioritize safety and responsible firearm handling.
