# HEAT SHIELD LMT DEFENSE HEAT SHIELD CARBINE LENGTH BLACK Safety Instructions

## Introduction

Thank you for purchasing the HEAT SHIELD LMT DEFENSE HEAT SHIELD CARBINE LENGTH BLACK. This product is designed to provide enhanced protection for your firearm. It is important to follow the safety guidelines and instructions outlined in this document to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand all safety instructions before using the product.
- Ensure that the product is suitable for your specific firearm model.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product regularly for any signs of damage or wear.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about recalls or safety notices through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not use the heat shield if it shows signs of damage or improper fit.
- Ensure that the firearm is unloaded before installing or removing the heat shield.
- Avoid exposure to extreme temperatures that could affect the integrity of the heat shield.
- Do not modify the heat shield in any way, as this may compromise its safety features.
- Always follow the manufacturer's instructions for your specific firearm when using the heat shield.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition.
- Gather necessary tools for installation (if applicable).

### 2. Installation:

- Align the heat shield with the designated mounting points on your firearm.
- Securely attach the heat shield according to the manufacturer's instructions.
- Doublecheck that the heat shield is firmly in place before use.

### 3. Usage:

- Use the heat shield as intended to protect against heat generated during firing.
- Monitor the heat shield during use to ensure it remains securely attached and functional.
- If the heat shield becomes loose or damaged during use, stop using the firearm immediately and assess the situation.

## Disposal Instructions

- Dispose of the heat shield in accordance with local regulations.
- Do not dispose of the heat shield in regular household waste if it is deemed hazardous.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the HEAT SHIELD LMT DEFENSE HEAT SHIELD CARBINE LENGTH BLACK, please refer to the manufacturer's contact information provided with your product. It is important to reach out for assistance if you have any safety inquiries or require further guidance.

By following these instructions and safety guidelines, you can ensure a safer experience with your HEAT SHIELD LMT DEFENSE HEAT SHIELD CARBINE LENGTH BLACK. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation.
