HEAT SHIELD LMT DEFENSE HEAT SHIELD RIFLE LENGTH BLACK

Consumer Safety Instruction Guide

Introduction

Thank you for choosing the HEAT SHIELD LMT DEFENSE HEAT SHIELD RIFLE LENGTH BLACK. This guide provides essential safety information and instructions to ensure safe and effective use of the product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe usage.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a heat shield for rifles.
- Always read and understand the instructions before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for signs of wear or damage.
- Report any unsafe conditions or accidents related to the product to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Use the heat shield only with compatible rifles as specified by the manufacturer.
- Avoid direct contact with hot surfaces during and after use.
- Ensure that the heat shield is securely installed before use to prevent accidents.
- Do not modify or alter the heat shield in any way.
- Wear appropriate safety gear when handling firearms, including eye and ear protection.
- Follow all local laws and regulations regarding firearm usage and safety.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure that the firearm is unloaded and safe to handle.
- Clean the area where the heat shield will be installed.
- Align the heat shield with the handguard of the rifle.
- Secure the heat shield using the provided mounting hardware, ensuring that it is tightly fastened.
- Doublecheck the installation for stability before using the rifle.

2. Usage Steps:

- Always ensure that the firearm is pointed in a safe direction.
- Use the heat shield to protect your hands from heat generated during firing.
- Monitor the temperature of the heat shield during prolonged use to avoid burns.
- After use, allow the heat shield to cool down before handling.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic and plastic waste.
- Do not burn the product, as it may release harmful substances.
- If the product is damaged or no longer usable, consider recycling it if possible.

Contact Information for Further Support

For any safety inquiries or issues related to the HEAT SHIELD LMT DEFENSE HEAT SHIELD RIFLE LENGTH BLACK,

please contact your local distributor or check the manufacturer's website for assistance.

This guide is designed to help you use the HEAT SHIELD safely and effectively. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention to these important safety considerations.
