

BRONZE WOOL - WHITE DISTRIBUTION #00 BRONZE WOOL

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Abrasives](#) > [Metal Wool](#)

For All Those Jobs Where Steel Wool Just Isn't Right

Can be used for just about everything that steel wool is used for, yet it has features that make it so much better in so many cases! Will not rust, nor is it as abrasive as steel wool. It's just about perfect for rubbing down a nicely blued gun that has just a bit of rust or crud that must be removed. It will not rub through blue as steel wool will. Bronze strands are longer and softer, so won't break down as easily, or shard off into work. Great for removing stripper-softened stock finish, or taking off "whiskers" during stock finishing.

Attributes

- Name: [WHITE DISTRIBUTION #00 BRONZE WOOL](#)
- Manufacturer: [WHITE DISTRIBUTION](#)
- Product no.: 439200101
- Mfr. No.: 773476

BRONZE WOOL WHITE DISTRIBUTION #00

BRONZE WOOL Safety Instructions

Introduction

Thank you for choosing BRONZE WOOL WHITE DISTRIBUTION #00 BRONZE WOOL. This product is designed for various applications, providing an effective alternative to steel wool. It is important to follow these safety instructions to ensure safe and effective use.

General Safety Guidelines

- Always use BRONZE WOOL in a wellventilated area to avoid inhalation of dust or particles.
- Keep the product out of reach of children and pets to prevent accidental ingestion or injury.
- Use appropriate personal protective equipment (PPE) such as gloves and safety goggles when handling the product.
- Avoid using BRONZE WOOL on hot surfaces or near open flames, as it is flammable.

Specific Safety Precautions for Use

- Ensure that the surface to be cleaned is cool and free from any flammable materials.
- Do not use BRONZE WOOL on surfaces that may be damaged by abrasive materials, such as soft plastics or certain finishes.
- When using for gun maintenance, ensure the firearm is unloaded and safe to handle.
- Avoid prolonged skin contact; if irritation occurs, wash the affected area with soap and water.

Instructions for Installation and Usage

1. Preparation

- Before using BRONZE WOOL, ensure that the work area is clean and free from clutter.
- Gather all necessary tools and materials for your project.

2. Using BRONZE WOOL

- Take a pad of BRONZE WOOL from the package.
- For cleaning, gently rub the pad against the surface in a circular motion.
- For gun maintenance, lightly rub the blued surface to remove rust or crud without damaging the finish.
- After use, dispose of any used pads properly.

3. PostUsage Care

- Clean the work area to remove any debris or dust created during the use of BRONZE WOOL.
- Store unused pads in a dry place, away from heat sources and direct sunlight.

Disposal Instructions

- Dispose of used BRONZE WOOL pads in accordance with local regulations for waste disposal.
- Do not incinerate BRONZE WOOL, as it may release harmful fumes.
- Ensure that used pads are kept away from flammable materials until disposal.
