

BRONZE WOOL - WHITE DISTRIBUTION #1 BRONZE WOOL

[Gunsmith Tools](#) > [Metal Prep & Coloring](#) > [Abrasives](#) > [Metal Wool](#)

For All Those Jobs Where Steel Wool Just Isn't Right

Can be used for just about everything that steel wool is used for, yet it has features that make it so much better in so many cases! Will not rust, nor is it as abrasive as steel wool. It's just about perfect for rubbing down a nicely blued gun that has just a bit of rust or crud that must be removed. It will not rub through blue as steel wool will. Bronze strands are longer and softer, so won't break down as easily, or shard off into work. Great for removing stripper-softened stock finish, or taking off "whiskers" during stock finishing.

Safety Instruction Guide for BRONZE WOOL WHITE DISTRIBUTION #1 BRONZE WOOL

Introduction

Thank you for choosing BRONZE WOOL WHITE DISTRIBUTION #1 BRONZE WOOL. This product is designed for a variety of applications, particularly in metal finishing and cleaning. While it offers several advantages over traditional steel wool, it is essential to follow safety guidelines to ensure a safe and effective experience.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in the product text.
- Wear appropriate personal protective equipment (PPE), such as gloves and safety goggles, to prevent skin and eye irritation.
- Ensure proper ventilation in your work area to avoid inhaling any particles.
- Regularly check for product recalls or safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using BRONZE WOOL near open flames or high heat sources, as it may catch fire.
- Do not use the product on surfaces that are sensitive to abrasion unless specified.
- Be cautious when using the product on painted or varnished surfaces, as it may remove finishes.
- Dispose of used bronze wool properly to prevent accidental fires. Do not leave used wool in piles.
- If any irritation occurs while using the product, discontinue use immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary materials, including BRONZE WOOL, protective gloves, safety goggles, and a clean cloth.
- Ensure your work area is clean and wellventilated.

2. Using BRONZE WOOL:

- Select the appropriate grade of BRONZE WOOL for your task (#00 for fine work, #1 for medium, and #3 for coarse).
- Gently rub the bronze wool on the surface you wish to clean or finish. Use light pressure to avoid damaging the surface.
- For removing rust or crud, apply the bronze wool in a circular motion for even coverage.
- After use, clean the area of any loose fibers or debris.

3. PostUse Care:

- Store BRONZE WOOL in a cool, dry place away from moisture and heat.
- Always ensure that used bronze wool is disposed of properly to prevent fire hazards.

Disposal Instructions

- Used BRONZE WOOL should be disposed of in accordance with local waste disposal regulations.
- Do not dispose of used bronze wool in regular trash if it is contaminated with flammable substances.

Follow hazardous waste disposal guidelines if applicable.

Contact Information for Further Support

For any safety inquiries or additional information regarding BRONZE WOOL WHITE DISTRIBUTION #1 BRONZE WOOL, please refer to the EU contact point or relevant safety authorities in your area.

We appreciate your attention to these safety guidelines and wish you a successful experience with our product.
