# **Safety Instruction Guide for MILD STEEL WOOL WHITE DISTRIBUTION #1 MEDIUM, 8/PACK**

## **Introduction**

Thank you for choosing MILD STEEL WOOL WHITE DISTRIBUTION #1 MEDIUM. This product is designed to provide the exact abrasive action you need for a variety of jobs. To ensure safe and effective use, please read this safety instruction guide carefully.

## **General Safety Guidelines**

- Always follow the instructions provided in this guide to ensure safe use of the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Use the product only for its intended purpose as specified by the manufacturer.
- Avoid prolonged exposure to dust generated during use. Use a dust mask if necessary.
- Ensure proper ventilation in the working area to minimize inhalation of dust.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Wear appropriate personal protective equipment (PPE), including gloves and safety goggles, when using steel wool.
- Do not use steel wool near open flames or sources of ignition, as it is flammable.
- Avoid using steel wool on surfaces that may be sensitive to scratching or damage.
- Do not use steel wool in wet conditions to prevent rusting and degradation of the product.
- Ensure that your hands are clean and dry when handling the product to avoid contamination.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the work area is clean and free of any obstacles.
- Gather all necessary tools and materials before starting your project.

### **2. Using Steel Wool:**

- Select the appropriate grade of steel wool for your task:
  - #0000 Super Fine for delicate surfaces
  - #000 Extra Fine for polishing
  - #00 Very Fine for light sanding
  - #0 Fine for general use
  - #1 Medium for heavier sanding tasks
- Take one pad of steel wool from the pack.

### **3. Application:**

- Gently rub the steel wool against the surface in a circular motion.
- Apply light pressure to avoid damaging the surface.
- For tougher jobs, you may increase pressure gradually, but always assess the surface condition.

### **4. PostUse:**

- After use, clean the area to remove any steel wool debris.
- Dispose of used pads responsibly according to local waste disposal regulations.

## Disposal Instructions

- Dispose of used steel wool pads in accordance with local regulations.
- Do not dispose of steel wool in open flames or incinerators, as it may cause fire hazards.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any safety inquiries or additional support, please reach out to the manufacturer's customer service or check the product packaging for relevant contact details.

Thank you for prioritizing safety while using MILD STEEL WOOL WHITE DISTRIBUTION #1 MEDIUM. Your attention to these guidelines helps ensure a safe and effective experience.
