

PRE-FIT RECOIL PADS - KICK-EEZ MODEL KZ113 PRE-FIT RECOIL PAD

[Shooting Accessories](#) > [Recoil Parts](#) > [Recoil Pads](#) > [Rifle](#)

Recoil-Absorbing Pads For Popular Rifles & Shotguns; Drop-In Installation

Drop-in replacement buttpad with outstanding recoil absorption properties reduces felt recoil by as much as 90%. Minimizes flinch for fast, accurate follow up shots and no "day after" shoulder pain. These pads are pre-shaped to fit the factory stock contours and screw spacing of specific rifle and shotgun models, so there's no grinding, fitting, or drilling. Remove the current buttpad, replace with a Kick-Eez. Made of Sorbothane®, a unique visco-elastic polymer that disperses recoil energy outward, away from the shooter's shoulder, without distorting or bottoming out. Retains its 100% memory even after thousands of shots.

Safety Instruction Guide for PREFIT RECOIL PADS KICKEEZ MODEL KZ113

Introduction

Thank you for choosing the PREFIT RECOIL PADS KICKEEZ MODEL KZ113. This product is designed to enhance your shooting experience by significantly reducing felt recoil. Please read this safety instruction guide carefully to ensure safe and proper use of the recoil pad.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the recoil pad.
- Inspect the recoil pad for any visible damage before use. Do not use if damaged.
- Keep the recoil pad out of reach of children and vulnerable individuals when not in use.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the recoil pad only on compatible firearms as specified in the product description.
- Ensure that the recoil pad is securely attached before firing the firearm.
- Do not attempt to modify the recoil pad in any way as this may compromise safety.
- If you experience discomfort or pain while using the firearm, discontinue use and consult a professional.
- Be aware of your surroundings and ensure a safe shooting environment when using firearms.

Instructions for Installation and Usage

Installation

1. **Remove Existing Buttpad:** Carefully unscrew and remove the existing buttpad from your firearm.
2. **Align the Recoil Pad:** Position the KickEez recoil pad on the stock, ensuring it aligns with the factory contours and screw spacing.
3. **Secure the Pad:** Use the included mounting screws to securely attach the recoil pad to the stock. Ensure it is tight and stable.
4. **Check Installation:** Verify that the recoil pad is firmly in place and does not move when pressure is applied.

Usage

1. **Verify Firearm Condition:** Always check that the firearm is unloaded before handling.
2. **Firing:** When ready to shoot, hold the firearm firmly against your shoulder, ensuring the recoil pad is in contact with your shoulder.
3. **PostFiring Check:** After firing, inspect the recoil pad for any signs of wear or damage.

Disposal Instructions

- Dispose of the recoil pad in accordance with local regulations for plastic materials.
- Do not incinerate the recoil pad as it may release harmful substances.
- Recycle if possible, following local recycling guidelines.

Contact Information for Further Support

For any questions or concerns regarding the PREFIT RECOIL PADS KICKEEZ MODEL KZ113, please refer to the

manufacturer's contact information provided with the product packaging.

By following these guidelines, you can ensure a safe and enjoyable shooting experience with your KickEez recoil pad. Thank you for your attention to safety!
