G21/G23/G32 Magazine Spring for Glock®

Consumer Safety Instruction Guide

Introduction

Thank you for choosing the G21/G23/G32 Magazine Spring for Glock® manufactured by ISMI. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the magazine spring by following all instructions provided.
- This product is designed for specific Glock® models: 19, 21, 23, and 32. Ensure compatibility before use.
- Always handle firearms and their components responsibly and in accordance with local laws and regulations.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental misuse.
- Regularly inspect the magazine spring for signs of wear or damage. Replace if necessary.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only with compatible Glock® models to avoid malfunction or injury.
- Do not modify the magazine spring or attempt to use it for any purpose other than intended.
- When loading magazines, ensure that the spring is properly seated to avoid jamming.
- Wear safety glasses when handling firearms to protect against potential debris or malfunction.
- Store the magazine spring in a cool, dry place away from direct sunlight and moisture.

Instructions for Installation and Usage

1. Installation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing magazine spring from the magazine.
- Insert the new G21/G23/G32 Magazine Spring into the magazine, ensuring it is seated correctly.
- Replace the magazine base plate securely.

2. Usage

- Load the magazine with ammunition as per the manufacturer's instructions.
- Ensure the magazine is fully seated in the firearm before use.
- Regularly check the magazine spring for functionality, especially after extensive use.

3. Maintenance

- Clean the magazine and spring regularly to prevent dirt and debris buildup.
- Inspect the spring for any signs of fatigue or damage.
- Replace the magazine spring if it shows any signs of wear or does not function properly.

Disposal Instructions

- Dispose of the magazine spring in accordance with local regulations for metal waste.
- Do not throw the spring in regular household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or additional support regarding the G21/G23/G32 Magazine Spring for Glock®, please consult the manufacturer's website or contact your local distributor.

By following these guidelines, you can ensure safe and effective use of your G21/G23/G32 Magazine Spring for Glock®. Thank you for your attention to safety.
