FLAT WIRE RECOIL SPRINGS FOR GLOCK® ISMI 17 LB. SPRING FOR GLOCK® 17 Safety Instruction Guide

Introduction

Thank you for choosing the ISMI Flat Wire Recoil Springs for your Glock® firearm. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the recoil spring is compatible with your Glock® model. This product is designed for Glock® 17 and other compatible models.
- Always handle firearms with care and ensure they are unloaded before performing any maintenance or modifications.
- Store the recoil springs in a cool, dry place away from direct sunlight and moisture.
- Regularly inspect the recoil spring for signs of wear or damage. Replace it if any issues are detected.
- Follow all local laws and regulations regarding firearm modifications and use.

Specific Safety Precautions for Use

- Use only ISMI recoil springs with your Glock® to ensure safety and reliability.
- Never exceed the manufacturer's recommended weight specifications for your firearm.
- Avoid using the recoil spring if it shows any signs of corrosion or physical damage.
- Keep the recoil spring out of reach of children and unauthorized users.
- Always wear protective eyewear when working with firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a punch tool and a small hammer.

2. Removal of the Old Recoil Spring:

- Remove the slide from the frame of the Glock®.
- Carefully remove the old recoil spring by pushing down on the recoil spring assembly and sliding it out.

3. Installation of the New Recoil Spring:

- Take the new ISMI recoil spring and align it with the factory diameter guide rod of .250" or less.
- Insert the recoil spring onto the guide rod, ensuring it is seated properly.
- Reattach the slide to the frame of the Glock®.

4. Testing:

- After installation, perform a function check to ensure the firearm operates correctly.
- Conduct a test fire in a safe and controlled environment to verify performance.

Disposal Instructions

- Dispose of old recoil springs and any packaging materials in accordance with local regulations.
- Do not dispose of springs in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support
