

# 1911 PREMIUM MAGAZINE SPRINGS - ISMI SSCS2 1911 SPRING

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Springs](#)

## Chrome Silicon Wire For Superior Performance & Durability

Wound with high tensile, chrome silicon wire that's shot peened, heat treated, then stress-relieved for the longest service life possible, without cracking or failure. SSCS fits single-stack, 8 round .45 ACP and 10 round .38 Super magazines. SSCS2 is for use with plastic and metal followers that require a narrow magazine spring. 7 or 8 round capacity depending on follower. SS10 fits 10 round .45 ACP magazines. Do not use with Wilson Combat plastic followers.

# Safety Instruction Guide for 1911 Premium Magazine Springs ISMI SSCS2

## Introduction

Thank you for choosing the 1911 Premium Magazine Springs ISMI SSCS2. This product is designed to enhance the performance of your 1911 magazines. To ensure safe and effective use, please read this safety instruction guide carefully. It contains important information regarding product safety, usage, and maintenance.

## General Safety Guidelines

- Always ensure that the magazine springs are compatible with your specific magazine model.
- Regularly inspect the magazine springs for signs of wear or damage before use.
- Use the magazine springs only for their intended purpose as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- In case of any malfunction or failure, discontinue use immediately and consult a professional.

## Specific Safety Precautions for Use

- Do not use SSCS2 springs with Wilson Combat plastic followers.
- Ensure that you are using the correct capacity springs (7 or 8 round) depending on the follower type.
- Avoid exposing the springs to extreme temperatures or corrosive environments to maintain their integrity.
- Always follow proper handling procedures when installing or removing magazine springs to prevent injury.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and in a safe condition before beginning installation.
- Remove the magazine from the firearm.
- Carefully disassemble the magazine according to the manufacturer's instructions.
- Remove the old spring and follower from the magazine.
- Insert the new ISMI SSCS2 spring into the magazine, ensuring that it is positioned correctly.
- Reassemble the magazine by adding the follower and any other components as per the manufacturer's guidelines.
- Ensure that the magazine is fully assembled before using it in the firearm.

### 2. Usage:

- Load the magazine with the appropriate number of rounds, ensuring that the rounds are seated properly.
- Insert the magazine into the firearm, ensuring it locks into place securely.
- Always perform a function check to ensure proper operation before using the firearm.
- If you encounter any issues during operation, consult a professional gunsmith for assistance.

## Disposal Instructions

- Dispose of any old or damaged magazine springs in accordance with local regulations.
- Do not dispose of magazine springs in regular household waste.
- Check with local authorities for guidelines on the safe disposal of metal components.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the 1911 Premium Magazine Springs ISMI SSCS2, please refer to the appropriate EUbased contact point or consult the manufacturer's website for additional resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
