Safety Instruction Guide for BERETTA 92/96 PREMIUM MAGAZINE SPRING

Introduction

Thank you for choosing the BERETTA 92/96 PREMIUM MAGAZINE SPRING by ISMI. This guide provides essential safety instructions to ensure the safe use and maintenance of your magazine spring. Please read this manual carefully before use to understand the safety guidelines and proper handling procedures.

General Safety Guidelines

- Ensure that the product is used only with compatible Beretta models (92 and 96).
- Always handle the magazine spring with care to avoid injury.
- Keep the magazine spring out of reach of children and unauthorized users.
- Regularly inspect the magazine spring for signs of wear or damage.
- If you notice any defects or malfunctions, discontinue use immediately and consult a professional.
- Follow all local laws and regulations regarding firearm accessories.

Specific Safety Precautions for Use

- Do not exceed the recommended capacity of the magazine. The spring is designed for:
 - 15 rounds of 9mm
 - 13 rounds of .40 S&W
- Avoid exposing the magazine spring to extreme temperatures or moisture.
- Do not attempt to modify or alter the magazine spring in any way.
- When loading or unloading the magazine, do so in a safe environment, away from others.
- Always treat firearms and their components as if they are loaded.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the old magazine spring from the magazine following the manufacturer's instructions.
- Insert the new BERETTA 92/96 PREMIUM MAGAZINE SPRING into the magazine, ensuring it is seated properly.
- Reassemble the magazine according to the manufacturer's guidelines.

2. Usage:

- Load the magazine with the appropriate number of rounds according to the specifications.
- Insert the magazine into the firearm securely.
- Always perform a function check to ensure the firearm operates correctly with the new magazine spring.

3. Maintenance:

- Regularly clean the magazine and spring to prevent buildup of dirt and debris.
- Store the magazine spring in a dry place, away from extreme temperatures.

Disposal Instructions

- Dispose of the magazine spring in accordance with local regulations regarding metal recycling.
- Do not burn or incinerate the magazine spring as it may release harmful substances.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the BERETTA 92/96 PREMIUM MAGAZINE SPRING, please refer to the manufacturer's website or contact your local authorized dealer.

Conclusion

Your safety is our priority. By following these guidelines, you can ensure a safe and effective experience with your BERETTA 92/96 PREMIUM MAGAZINE SPRING. Thank you for your attention to these important safety measures.
