# **Safety Instruction Guide for FLAT WIRE RECOIL SPRINGS FOR GLOCK® ISMI 13# CERT RECOIL SPRING GLOCK 19**

## **Introduction**

Thank you for choosing the FLAT WIRE RECOIL SPRINGS FOR GLOCK® ISMI 13# CERT RECOIL SPRING GLOCK 19. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the recoil springs.

## **General Safety Guidelines**

- Ensure the product is used only for its intended purpose.
- Always check for any visible damage or wear before installation.
- Use the recoil springs in compliance with the specifications outlined in this guide.
- Store the recoil springs in a dry and safe location, away from children and unauthorized users.
- Regularly inspect the springs for signs of corrosion or deformation.

## **Specific Safety Precautions for Use**

- Only install the recoil springs in compatible Glock models (Glock 19, 23, 32).
- Ensure the firearm is unloaded and pointed in a safe direction before installation.
- Do not exceed the recommended weight specifications for your specific Glock model.
- Avoid using the recoil springs in extreme temperatures or environments that may affect their performance.
- If you experience any malfunctions during use, discontinue use immediately and consult a qualified gunsmith.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure the firearm is unloaded.
- Gather necessary tools (if required) for installation.

### **2. Installation Steps:**

- Remove the existing recoil spring from the guide rod.
- Carefully install the new recoil spring onto the guide rod, ensuring it is properly seated.
- Reassemble the firearm according to the manufacturer's instructions.

### **3. Usage:**

- Use the firearm in a safe and responsible manner, adhering to all local laws and regulations.
- Regularly clean and maintain the firearm to ensure optimal performance of the recoil springs.

## **Disposal Instructions**

- Dispose of any damaged or worn recoil springs in accordance with local regulations.
- Do not throw recoil springs in regular household waste.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please refer to the EUbased contact point provided by the manufacturer. Ensure you have the product details on hand for efficient assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your FLAT WIRE RECOIL SPRINGS FOR GLOCK® ISMI 13# CERT RECOIL SPRING GLOCK 19. Thank you for your attention to safety.
