

1911 PREMIUM MAGAZINE SPRINGS - ISMI SSCS 1911 SPRING

[Magazines](#) > [Handgun Magazines](#) > [Magazine Parts](#) > [Magazine Springs](#)

Chrome Silicon Wire For Superior Performance & Durability

Wound with high tensile, chrome silicon wire that's shot peened, heat treated, then stress-relieved for the longest service life possible, without cracking or failure. SSCS fits single-stack, 8 round .45 ACP and 10 round .38 Super magazines. SSCS2 is for use with plastic and metal followers that require a narrow magazine spring. 7 or 8 round capacity depending on follower. SS10 fits 10 round .45 ACP magazines. Do not use with Wilson Combat plastic followers.

1911 PREMIUM MAGAZINE SPRINGS Safety Instructions

Introduction

Thank you for choosing the ISMI 1911 Premium Magazine Springs. These springs are designed for optimal performance and durability in your 1911 firearm. This safety instruction guide aims to ensure the safe use of these products in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always handle firearm components with care and follow all applicable laws and regulations.
- Ensure that the magazine springs are installed correctly to avoid malfunctions.
- Regularly inspect the magazine springs for wear and tear. Replace them if any damage is detected.
- Keep these products out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation may lead to firearm malfunctions.
- Using incompatible followers may compromise the spring's functionality.

- **Instructions to Avoid Hazards:**

- Ensure compatibility of the magazine springs with the specific magazine type before use.
- Do not use SSCS springs with Wilson Combat plastic followers.
- Follow the manufacturer's guidelines for the number of rounds the spring is designed to accommodate.

- **Audience Specific Warnings:**

- These products are intended for adult users only. Keep them away from children.
- Ensure that all users are trained in the safe handling and operation of firearms.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure the firearm is unloaded and safe to handle.
- Remove the existing magazine spring from the magazine.
- Insert the new ISMI magazine spring into the magazine, ensuring it is seated properly.
- If using SSCS2 springs, confirm that the follower is compatible.
- For 7 or 8 round capacity, check the follower type to ensure proper fit.
- For SS10 springs, ensure they are used only with 10 round .45 ACP magazines.

2. Usage Instructions:

- Load the magazine with the appropriate number of rounds as indicated by the spring type.
- Regularly check the magazine for proper function during use.

- If you notice any issues, such as misfeeds or failures to eject, inspect the magazine spring for damage.

Disposal Instructions

- Dispose of old or damaged magazine springs in accordance with local regulations.
- Do not dispose of springs in regular household waste; consider recycling options where available.
- Ensure that any disposed components are out of reach of children and pets.

Contact Information for Further Support

For any questions or concerns regarding the ISMI 1911 Premium Magazine Springs, please refer to the product packaging or visit the manufacturer's website for additional support resources.

Thank you for your attention to these safety guidelines. Proper handling and care of your magazine springs will enhance your shooting experience and ensure safety for all users.
