# Safety Instruction Guide for 1911 Government Recoil Springs ISMI 16 LB. C/S Recoil Spring

## Introduction

Thank you for choosing the 1911 Government Recoil Springs ISMI 16 LB. C/S Recoil Spring. This product is designed to enhance the performance of your firearm by providing reliable recoil management. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms and their components with care.
- Ensure that all products are used in accordance with the manufacturer's instructions.
- Keep this product out of reach of children and unauthorized users.
- Regularly check for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use this recoil spring with the compatible 1911 Government model.
- Ensure that the firearm is unloaded before installing or replacing the recoil spring.
- Wear appropriate safety gear, such as eye protection, when handling firearms.
- Avoid using excessive force when installing the recoil spring to prevent damage.
- Be cautious of sharp edges on the recoil spring during handling.
- Do not modify the recoil spring or use it in a manner not intended by the manufacturer.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather necessary tools for installation, such as a flathead screwdriver or pliers.

### 2. Installation Steps:

- Remove the slide from the frame of the firearm according to the manufacturer's guidelines.
- Locate the existing recoil spring and guide rod assembly.
- Carefully remove the old recoil spring from the guide rod.
- Take the new ISMI 16 LB. recoil spring and align it with the guide rod.
- Ensure that the spring is seated properly and securely on the guide rod.
- Reassemble the slide onto the frame, ensuring that all components are aligned correctly.

### 3. Usage:

- After installation, conduct a function check to ensure proper operation.
- Always follow safe handling practices when operating your firearm.
- Regularly inspect the recoil spring for signs of wear or damage and replace as necessary.

## Disposal Instructions

- Dispose of the recoil spring in accordance with local regulations for metal recycling.
- Ensure that any discarded components are kept away from children and pets.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the 1911 Government Recoil Springs ISMI 16 LB. C/S Recoil Spring, please refer to the manufacturer's contact information or consult your local firearms expert.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your recoil spring. Thank you for your attention to safety and for choosing our product.
