Safety Instruction Guide for STI/INFINITY High Capacity Premium Magazine Springs

Introduction

Thank you for choosing the STI/INFINITY High Capacity Premium Magazine Springs. This guide provides essential safety instructions to ensure the safe use and handling of your magazine springs. Please read this document carefully before use to understand the safety precautions and proper handling procedures.

General Safety Guidelines

- Ensure that the magazine springs are used only in compatible STI/Infinity magazines.
- Regularly inspect the magazine springs for any signs of wear, damage, or deformation.
- Store the magazine springs in a cool, dry place away from direct sunlight and moisture.
- Keep the magazine springs out of reach of children and unauthorized persons.
- In case of any malfunction or failure, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always wear appropriate protective gear, such as safety glasses, when handling magazine springs.
- Avoid using the magazine springs with ammunition that exceeds the specified weight limits.
- Do not attempt to modify or alter the magazine springs in any way, as this may compromise their safety and performance.
- Ensure that the magazine springs are properly installed before loading ammunition.
- Do not force the magazine springs into the magazine; they should fit snugly without excessive pressure.

Instructions for Installation and Usage

1. Installation:

- Ensure that the magazine is clean and free from debris.
- Insert the magazine spring into the magazine body, ensuring it is seated correctly at the bottom.
- If applicable, attach the base pad securely to the magazine.
- Confirm that the spring is not twisted or misaligned.

2. Usage:

- Load ammunition according to the manufacturer's recommendations, ensuring not to exceed the magazine capacity.
- After loading, check that the magazine functions smoothly by cycling it through the firearm without ammunition.
- Store loaded magazines in a safe and secure location.

3. Regular Maintenance:

- Periodically remove the magazine springs from the magazines and inspect them for wear.
- Clean the magazine body and spring using a suitable cleaning solution.
- Replace the magazine springs if any signs of damage or fatigue are observed.

Disposal Instructions

- Dispose of any damaged or worn magazine springs in accordance with local regulations.
- Do not dispose of the magazine springs in regular household waste.

- If possible, recycle materials according to local recycling guidelines.

Contact Information for Further Support

For any inquiries regarding the safety and usage of the STI/INFINITY High Capacity Premium Magazine Springs, please refer to the manufacturer's contact information provided on the product packaging or documentation.

By following these safety instructions, you can help ensure a safe and effective experience with your magazine springs. Thank you for your attention to safety.
