

# AR .308 RECOIL ELIMINATOR 30 CALIBER - J P ENTERPRISES RECOIL ELIMINATOR 30 CALIBER 5/8-24 STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Dual, curved restrictor plates with a tremendous amount of surface area stop exiting barrel gases and pull the barrel forward to counteract recoil and muzzle flip. The front sight or scope stays right on target for a faster second shot, plus less felt recoil and shooter fatigue. Models available for rifles chambered in .308/7.62mm. 5/8-24 TPI is the industry standard for AR-10-type rifles and also appropriate for custom applications. The 0.750" outside diameter will accommodate the heavy bull barrels common among long-range varmint rifles including, but not limited to, the M15 and AR10-type rifles. The JPRE-324MG has a final exit hole of .350 and can be enlarged to accommodate bores up to .416.

## Attributes

- Name: [J P ENTERPRISES RECOIL ELIMINATOR 30 CALIBER 5/8-24 STEEL BLACK](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000066
- Mfr. No.: JPRE-324B
- Caliber: 30 Caliber (.308)
- Finish: Black
- Material: Steel
- Threads: 5/8-24
- Weapon type: AR .308
- Delivery weight: 0.204kg
- Shipping height: 41mm
- Shipping width: 152mm
- Shipping length: 218mm
- UPC: 812872021775

# AR .308 Recoil Eliminator Safety Instruction Guide

## Introduction

Thank you for purchasing the AR .308 Recoil Eliminator manufactured by J P Enterprises. This product is designed to enhance your shooting experience by reducing recoil and muzzle flip. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle firearms and related accessories with care and respect.
- Ensure that the product is installed correctly before use.
- Regularly inspect the Recoil Eliminator for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation or maintenance.
- Always wear safety glasses and hearing protection when shooting.
- Do not exceed the recommended caliber specifications for the Recoil Eliminator.
- Avoid using the product with ammunition that exceeds the specified limits.
- Do not modify the Recoil Eliminator in any way that could affect its performance or safety.
- Be cautious when shooting in adverse weather conditions, as this may affect performance.
- Ensure that no obstructions are present in the barrel before firing.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure the firearm is pointed in a safe direction and is unloaded.
- Gather necessary tools, including a torque wrench if required.

#### 2. Remove Existing Muzzle Device

- If applicable, remove any existing muzzle device from the firearm using appropriate tools.

#### 3. Install the Recoil Eliminator

- Align the threads of the Recoil Eliminator with the muzzle of the firearm.
- Handtighten the Recoil Eliminator until snug.
- Use a torque wrench to tighten to the manufacturer's specifications (if applicable).

#### 4. Final Inspection

- Check that the Recoil Eliminator is securely attached and properly aligned.
- Ensure there are no visible gaps between the Recoil Eliminator and the firearm.

## **Usage**

- Once installed, the Recoil Eliminator is ready for use.
- Ensure that you are in a safe shooting position.
- Fire the weapon in accordance with standard shooting practices.
- Monitor your comfort and shooting performance, adjusting your stance as necessary.

## **Disposal Instructions**

- Dispose of the Recoil Eliminator in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in regular household waste.
- Consider recycling options for metal components if available in your area.

## **Contact Information for Further Support**

For any inquiries or support regarding the AR .308 Recoil Eliminator, please refer to the manufacturer's contact details provided with your product packaging. Always ensure you have the product information ready for any assistance.

Thank you for choosing the AR .308 Recoil Eliminator. We hope you enjoy a safer and more enjoyable shooting experience.
