# JPHGS Sling Swivel Stud Quick Detach Stud Adapter Safety Instruction Guide

## Introduction

Thank you for choosing the JPHGS Sling Swivel Stud Quick Detach Stud Adapter for your free float tube. This product is designed to provide a secure and convenient slingmounting point on your VTac handguard. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the sling swivel stud and its components before each use for signs of wear or damage.
- Keep this product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Ensure that the sling swivel stud is securely clamped into the cooling slots of the VTac handguard before use.
- Do not exceed the weight limit specified for the sling and any attached accessories.
- Avoid using the product in conditions that may compromise safety, such as extreme temperatures or wet environments.
- Use only compatible accessories with the sling swivel stud to prevent accidents or equipment failure.
- Always ensure that the sling is properly attached before moving or handling the firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the cooling slots on your VTac handguard.
- Align the JPHGS Sling Swivel Stud with the desired slot.
- Firmly clamp the stud into the slot until it is secure. Ensure it does not move or wiggle.
- If using a folding bipod, attach it to the swivel stud following the manufacturer's instructions for the bipod.

### 2. Usage:

- Attach your sling to the swivel stud, ensuring that it is securely fastened.
- When not in use, detach the sling and store it in a safe location.
- Regularly check the tightness of the swivel stud to ensure it remains secure during use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and electronic waste.
- Do not dispose of the product in regular household waste.
- Consider recycling the materials when possible.
