

# AR-15/M16 ADJUSTABLE GAS BLOCKS - J P ENTERPRISES AR ADJUSTABLE GAS SYSTEM, LOW PROFILE .936 BORE, BLK, ALUM

[Rifle Parts](#) > [Gas System Parts](#) > [Gas Blocks](#)

## Pressure Adjustable For Smoother Cycling

Replaces the factory front sight/gas block and allows you to tune the gas system for smoother cycling and operation. Especially critical on match and varmint rifles when shooting both factory and custom-loaded ammunition. Simple setscrew lets you control the gas flow, so you can customize the setting for each load. Hex head setscrews clamp the block securely to the barrel. Installation instructions included. Low Profile model fits under handguard on .750" barrels. Rugged, all-steel construction resists gas erosion and helps maintain rifle's weight distribution. JPGS-5B and JPGS-5S Low-Profile models have a slimmer profile to reduce weight and to fit under a wider variety of handguards.

Replaces the factory front sight/gas block and allows you to tune the gas system for smoother cycling and operation. Especially critical on match and varmint rifles when shooting both factory and custom-loaded ammunition. Simple setscrew lets you control the gas flow, so you can customize the setting for each load. Hex head setscrews clamp the block securely to the barrel. Installation instructions included. Standard model features a topside Picatinny rail for mounting flip-up front sights and other accessories. Available in lightweight aluminum or stainless steel for additional muzzle weight. Fits barrels with .750" O.D. at gas block. Heavy - Aluminum, with rail, fits heavy barrels with .936" O.D. Low Profile model fits under handguard on .750" barrels. Rugged, all-steel construction resists gas erosion and helps maintain rifle's weight distribution. Heavy Low Profile aluminum block fits under handguard on barrels with .936" O.D. Eight Torx T15 screws securely clamp the block to the barrel. A2-Style - Retains the classic look of military rifles and carbines. Two side-mount hex head screws clamp the block securely to barrels with .750" O.D. at the gas block position. Rugged, stainless steel construction resists gas erosion and helps maintain rifle's weight distribution. Hard, abrasion-resistant black oxide finish. JPGS-5B and JPGS-5S Low-Profile models have a slimmer profile to reduce weight and to fit under a wider variety of handguards. JPGSA is an adapter designed to allow use of a .936 gas block with a .875 barrel.

## Attributes

- Name: [J P ENTERPRISES AR ADJUSTABLE GAS SYSTEM, LOW PROFILE .936 BORE, BLK, ALUM](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000122
- Mfr. No.: JPGS-8
- Inside Diameter: .936
- Material: Aluminum
- Style: Adjustable
- Weapon type: AR-15
- Delivery weight: 0.159kg
- Shipping height: 30mm
- Shipping width: 152mm
- Shipping length: 211mm

- UPC: 812872021492

# Safety Instruction Guide for AR15/M16 Adjustable Gas Blocks

## Introduction

Thank you for purchasing the J P Enterprises AR15/M16 Adjustable Gas Block. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the gas block, which is a nonfood product. Follow all safety guidelines to avoid risks.
- **Enhanced Recalls:** Be aware of standardized recall notices. If you receive a recall notice, follow the instructions provided for safe disposal or return.
- **Online Shopping:** If purchased online, ensure the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra care should be taken when the product is used around children or vulnerable individuals.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EU-based contact for support.
- **Rapid Alerts:** Stay informed about unsafe products through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Awareness:**
  - Improper installation may lead to gas leakage, affecting the firearm's performance and safety.
  - Always ensure the gas block is securely clamped to the barrel to prevent movement during use.
- **Personal Safety Equipment:**
  - Always wear safety glasses when handling and installing the gas block.
  - Use gloves to avoid injury from sharp edges during installation.
- **Firearm Safety:**
  - Always treat your firearm as if it is loaded. Follow all firearm safety rules.
  - Ensure the firearm is pointed in a safe direction during installation and adjustment.
- **Child Safety:**
  - Keep the gas block and all firearm components out of reach of children.
  - Educate all users about firearm safety and the importance of proper handling.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the necessary tools for installation: a hex key for the setscrews and a torque wrench if needed.
- Verify that the firearm is unloaded and safe to work on.

### 2. Installation Steps:

- Remove the factory front sight/gas block from the barrel.
- Clean the barrel area to ensure a proper fit.
- Position the adjustable gas block over the barrel, ensuring it fits securely.
- Use the hex head setscrews to clamp the gas block to the barrel. Ensure that it is tightened adequately to avoid movement.
- Adjust the setscrew to control gas flow. Refer to your specific load requirements for optimal

- settings.
- After installation, visually inspect to confirm that the gas block is aligned and secure.

### 3. Usage:

- Test the firearm in a safe environment to ensure proper cycling and operation.
- Make adjustments to the gas flow as needed based on the type of ammunition used.

## Disposal Instructions

- If the gas block is damaged or no longer usable, dispose of it in accordance with local regulations.
- Do not dispose of the gas block in regular household waste. Check for specific hazardous waste disposal guidelines in your area.

## Contact Information for Further Support

For further assistance or inquiries regarding safety or installation, please consult the manufacturer or your local dealer for guidance. Always ensure that any questions or concerns are addressed before use.

Thank you for prioritizing safety in your use of the J P Enterprises AR15/M16 Adjustable Gas Block. Your careful attention to these guidelines will help ensure a safe and enjoyable experience.
