

# UNIVERSAL VICE CLAMPS - J P ENTERPRISES UNIVERSAL VICE CLAMPS

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Vises & Accessories](#) > [Vise Jaws](#)

Fits both flat top AR-308 uppers and AR-15 uppers. Clamp jaws firmly retain the receiver by securely capturing the top rail and receiver lugs. Lug-side clamp piece includes different cutouts at either end to fit the front pivot pin lug of either large or small receivers. Installed magnets will help retain the clamps to the vise.

## Attributes

# Safety Instruction Guide for UNIVERSAL VICE CLAMPS

## Introduction

Thank you for choosing the UNIVERSAL VICE CLAMPS by J P ENTERPRISES. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and usage to avoid potential hazards.

## General Safety Guidelines

- Ensure that the UNIVERSAL VICE CLAMPS are used only for their intended purpose, which is to securely hold AR308 and AR15 uppers during work.
- Always inspect the clamps for any visible damage or wear before each use. Do not use if damaged.
- Keep the clamps out of reach of children and vulnerable individuals to prevent accidents.
- Use the clamps in a welllit and organized workspace to minimize risks.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when working with tools and machinery.
- Report any unsafe products or accidents related to the use of the clamps to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the clamps are securely attached to the vise before placing any upper receiver in them.
- Do not exceed the recommended load capacity of the clamps.
- Avoid placing your hands or fingers near the jaws of the clamps when tightening or loosening.
- Do not use the clamps for any purpose other than holding the specified upper receivers.
- Be cautious of sharp edges on the clamps and the upper receivers during installation and removal.
- If using power tools in conjunction with the clamps, follow the safety instructions provided with those tools.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the workspace is clean and free from obstructions.
- Open the clamp jaws fully to accommodate the upper receiver.
- Position the upper receiver in the clamps, ensuring that the top rail and receiver lugs are securely captured.
- Align the lugside clamp piece with the front pivot pin lug of the receiver. Choose the appropriate cutout for either large or small receivers.
- Firmly close the clamp jaws to secure the upper receiver in place.

### 2. Usage:

- Once the upper receiver is secured, proceed with your work, ensuring that you do not apply excessive force that could damage the clamps or the receiver.
- Regularly check the tightness of the clamps during use to ensure they remain secure.
- After completing your work, carefully open the clamp jaws and remove the upper receiver.

### 3. Maintenance:

- Clean the clamps regularly to remove any debris or residue.
- Store the clamps in a dry place when not in use to prevent corrosion.

## Disposal Instructions

- Dispose of the UNIVERSAL VICE CLAMPS in accordance with local regulations.
- If the clamps are no longer usable, consider recycling the materials if applicable.
- Do not dispose of the clamps in regular household waste if they are made of materials that can be recycled.

## Contact Information for Further Support

For any inquiries or safety concerns regarding the UNIVERSAL VICE CLAMPS, please reach out to the designated EUbased contact point provided by the manufacturer.

Thank you for your attention to these safety instructions. Your safety is our priority.
