# Safety Instruction Guide for AR15 .750 JAM NUT 1/228"

## Introduction

Thank you for choosing the AR15 .750 JAM NUT 1/228" by J P Enterprises. This product is designed for highquality performance and safety when indexing muzzle devices. Please read this safety instruction guide carefully to ensure proper use and handling.

## General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the product for any damage before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform to ensure the product is safe for use.

## Specific Safety Precautions for Use

- Use only the appropriate tools specified for installation and tightening.
- Ensure that the wrench used is thin to avoid damaging the product or the firearm.
- Always wear appropriate safety gear, such as eye protection, when handling or installing the product.
- Do not exceed the recommended torque specifications when tightening the jam nut.
- Avoid using the product in extreme temperatures or harsh environments that could compromise its integrity.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded and in a safe condition before beginning installation.
- Gather the necessary tools, including a thin wrench.

### 2. Installation:

- Align the jam nut with the muzzle device and ensure it is threaded correctly onto the 1/228 threads.
- Use the thin wrench to tighten the jam nut securely against the muzzle device.
- Confirm that the jam nut is properly tightened but do not overtighten, as this may cause damage.

### 3. Usage:

- Once installed, regularly check the jam nut for tightness and wear.
- If any movement or loosening is detected, retighten immediately.
- Do not modify the jam nut or its installation in any way.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the product in general waste if it is damaged or no longer usable.
- Consider recycling options for metal components where available.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer directly. Ensure you have the product details ready for reference.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
