## AR-15/M16 15" MKIII HANDGUARD

[Rifle Parts](#) > [Build Kits](#) > [Handguards & Rails](#)

With a new enhanced attachment method that combines aesthetic polish and durability, the JP MKIII system accommodates both the stylish, rock-blasted JP Signature tube with its faster rail relocation and new textured finish. Like its predecessors, MK III allows for easy rail mounting at any of the cardinal points along the tube as well as at the 45°s while also offering continued compatibility with all JP Tactical Rail accessories. Manufactured as ever to the uncompromising JP standard, the MK III system is the final word on modular design fusing simplicity and utility with the benefits of both: New, patented attachment method dramatically improves structural integrity while allowing for perfect alignment to bore axis comparable to one-piece, monolithic systems. Offers top rail continuity, allowing bridging of the receiver and hand guard rail with optical mounts. Barrel nut redesign allows for easier and faster barrel installation or replacement. Internal barrel retainer nut serves as a lifetime component that doesn't distort like one-piece, one-time-use aluminum barrel retention nuts. Easily interchangeable tubes with rapid re-indexing. Standard, readily-available 10-32 screws for rail attachment less limiting compared to the problems of proprietary hardware. Ergonomically optimal 2" tube diameter easily clears minimized gas block and is available for both small- and large- frame models. Fits - AR-15/M16 pattern rifles.

### Attributes

- Name: [J P ENTERPRISES AR-15/M16 15" MKIII HANDGUARD](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000187
- Mfr. No.: JPHG3-6M
- Colour: Black
- Length: 15"
- Material: Aluminum
- Style: Free Float
- Weapon type: AR-15
- Delivery weight: 0.953kg
- Shipping height: 51mm
- Shipping width: 114mm
- Shipping length: 521mm
- UPC: 812872021010

# Safety Instruction Guide for AR15/M16 MKIII Free Float Handguards

## Introduction

Thank you for choosing the AR15/M16 MKIII Free Float Handguards by J P Enterprises. This guide provides essential safety instructions and usage information to ensure a safe and effective experience with your new handguard system. Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of this handguard by following all guidelines. The handguard is designed for AR15/M16 pattern rifles and should only be used with compatible models.
- **Enhanced Recalls:** Stay informed about any product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure that the retailer complies with EU safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Keep the handguard and all components out of reach of minors.
- **EU Contact Point:** For safety inquiries, ensure you have access to a contact point within the EU.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products related to your purchase.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Always wear safety goggles and gloves when installing the handguard.
  - Ensure the firearm is unloaded before beginning installation.
- **Usage Safety:**
  - Regularly inspect the handguard for signs of wear or damage.
  - Ensure that all screws and attachments are secured before use.
  - Do not exceed the weight limit of the handguard when mounting accessories.
- **Handling Safety:**
  - Treat all firearms as if they are loaded.
  - Always point the firearm in a safe direction.
  - Keep your finger off the trigger until ready to shoot.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the following tools ready:
  - Torque wrench
  - Allen wrench (1032 screws)
  - Safety goggles
  - Gloves
- Verify that the handguard is compatible with your AR15/M16 pattern rifle.

### 2. Installation Steps:

- **Step 1:** Remove the existing handguard from your rifle.
- **Step 2:** Install the barrel nut according to the manufacturer's specifications.
- **Step 3:** Align the handguard with the barrel nut and slide it into place.
- **Step 4:** Secure the handguard using the standard 1032 screws provided. Ensure all screws are

tightened to the manufacturer's torque specifications.

- **Step 5:** Check for proper alignment and fit. Ensure that the handguard does not obstruct the gas block.

### 3. Usage Guidelines:

- After installation, perform a function check of your rifle to ensure everything operates correctly.
- When using the rifle, maintain a proper grip on the handguard and avoid placing excessive weight on it.
- Regularly clean and maintain the handguard to prolong its life and performance.

## Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the handguard becomes damaged beyond repair, check local regulations for disposal of aluminum materials.
- Do not dispose of the handguard in regular household waste.

## Contact Information for Further Support

For assistance or inquiries regarding your AR15/M16 MKIII Free Float Handguards, please refer to the contact information provided on your purchase receipt or packaging. Ensure you have the product details handy for a quicker resolution.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AR15/M16 MKIII Free Float Handguards. Thank you for your attention to safety and for choosing J P Enterprises.
