

3-PORT COMPENSATOR 22 CALIBER - J P ENTERPRISES 3-PORT COMPENSATOR 22 CALIBER 1/2-28 STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Let's face it, comps are easy to make. Perfecting them is the hard part. The JP original Recoil Eliminator will always be the benchmark for compensator performance. Every new comp design they develop strives to measure up while keeping a slimmer profile. Tweaked over multiple iterations, our Competition Compensator lineup comes within striking distance. With ports tuned to match the RE Series as close as possible, these comps shoot flat and hold neutral. For the hungry competitor, that means getting back on target cracking followup shots as fast as possible. This compensator meets and maximizes the potential allowed by the 1" x 3" dimensional rule, making it SOF/Tactical/USPSA Limited legal and optimal. Package includes compensator, crush washer and instruction sheet. Features: Extremely balanced and neutral fire Redirects muzzle gasses to cancel out a large portion of recoil impulse Provides dramatically improved sight recovery for faster follow-up shots Minimized muzzle rise Reduced recoil fatigue Longer design to allow for pin-and-weld installation on shorter barrels SOF/Tactical/USPSA Limited legal American made

Attributes

- Name: [J P ENTERPRISES 3-PORT COMPENSATOR 22 CALIBER 1/2-28 STEEL BLACK](#)

3PORT COMPENSATOR 22 CALIBER Safety Instruction Guide

Introduction

Thank you for choosing the JP Enterprises 3Port Compensator 22 Caliber. This product is designed to enhance your shooting experience by reducing recoil and improving followup shot accuracy. However, safety is paramount. Please read this guide carefully to ensure safe and effective use of your compensator.

General Safety Guidelines

- Always treat the compensator as if it is loaded.
- Ensure that you are familiar with the local laws and regulations regarding the use of compensators and firearms.
- Use only with firearms that are compatible with the 22 caliber specifications.
- Always wear appropriate personal protective equipment (PPE), including eye and ear protection, while using firearms equipped with this compensator.
- Keep the compensator and all related equipment out of reach of children and unauthorized users.
- Regularly inspect the compensator for any signs of damage or wear before each use.

Specific Safety Precautions for Use

- Ensure that the compensator is securely attached to the firearm before use.
- Do not attempt to modify or alter the compensator in any way.
- Avoid using the compensator with ammunition that exceeds the specified caliber limits.
- Be mindful of your surroundings and ensure a safe shooting environment.
- If you experience any malfunctions or unusual performance, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Tools Required:** You will need a wrench suitable for the 1/228 threads of the compensator and a crush washer for proper installation.
2. **Preparation:** Ensure that the firearm is unloaded and pointed in a safe direction.
3. **Attach the Compensator:**
 - Place the crush washer onto the muzzle of the firearm.
 - Screw the compensator onto the threaded muzzle, ensuring it is aligned correctly.
 - Use the wrench to tighten the compensator securely, but do not overtighten as this may cause damage.
4. **Final Check:** Ensure that the compensator is firmly attached and that there is no movement.

Usage

- Once installed, the compensator is designed to redirect muzzle gases, reducing recoil and allowing for quicker followup shots.
- Practice shooting with the compensator to familiarize yourself with its effects on your shooting performance.
- Always adhere to safe shooting practices and guidelines.

Disposal Instructions

- Dispose of the compensator in accordance with local regulations regarding metal recycling or waste disposal.
- Do not throw the compensator in regular trash; instead, consider recycling it if possible.
- Ensure that the compensator is not usable before disposal to prevent any potential hazards.

Contact Information for Further Support

For any questions regarding the safety, installation, or usage of the JP Enterprises 3Port Compensator, please consult the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safer and more enjoyable shooting experience with your new compensator. Thank you for prioritizing safety and responsible usage.
