

# 3-PORT COMPENSATOR 30 CALIBER - J P ENTERPRISES 3-PORT COMPENSATOR 30 CALIBER 5/8-24 STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Let's face it, comps are easy to make. Perfecting them is the hard part. The JP original Recoil Eliminator will always be the benchmark for compensator performance. Every new comp design they develop strives to measure up while keeping a slimmer profile. Tweaked over multiple iterations, our Competition Compensator lineup comes within striking distance. With ports tuned to match the RE Series as close as possible, these comps shoot flat and hold neutral. For the hungry competitor, that means getting back on target cracking followup shots as fast as possible. This compensator meets and maximizes the potential allowed by the 1" x 3" dimensional rule, making it SOF/Tactical/USPSA Limited legal and optimal. Package includes compensator, crush washer and instruction sheet. Features: Extremely balanced and neutral fire Redirects muzzle gasses to cancel out a large portion of recoil impulse Provides dramatically improved sight recovery for faster follow-up shots Minimized muzzle rise Reduced recoil fatigue Longer design to allow for pin-and-weld installation on shorter barrels SOF/Tactical/USPSA Limited legal • American made

## Attributes

- Name: [J P ENTERPRISES 3-PORT COMPENSATOR 30 CALIBER 5/8-24 STEEL BLACK](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000226
- Mfr. No.: JPTRE3-324B
- Caliber: 30 Caliber (.308)
- Finish: Black
- Material: Steel
- Threads: 5/8-24
- Delivery weight: 0.222kg
- UPC: 812872024141

## Item details

# Safety Instruction Guide for 3PORT COMPENSATOR 30 CALIBER

## Introduction

Thank you for choosing the 3PORT COMPENSATOR 30 CALIBER by J P ENTERPRISES. This guide provides essential safety instructions and information to ensure the safe and effective use of your compensator. Please read this manual thoroughly before installation and use.

## General Safety Guidelines

- Ensure all safety regulations and local laws regarding firearm accessories are followed.
- Always handle firearms and accessories with care and respect.
- Keep the compensator and all firearmrelated products out of reach of children and unauthorized users.
- Regularly check for and adhere to any safety recalls or updates regarding the product.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Only use the compensator with firearms that are compatible with .30 caliber ammunition.
- Ensure that the firearm is unloaded before installing or adjusting the compensator.
- Wear appropriate eye and ear protection when using the firearm equipped with the compensator.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not attempt to modify or alter the compensator in any way that may compromise its safety or performance.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Make sure the firearm is unloaded. Remove the magazine and visually inspect the chamber.
2. **Tools Required:** Have a suitable wrench ready for installation.
3. **Remove Existing Muzzle Device:** If applicable, carefully remove any existing muzzle device from the firearm's muzzle.
4. **Install Compensator:**
  - Align the compensator with the threads on the muzzle.
  - Handtighten the compensator onto the muzzle.
  - Use a wrench to securely tighten the compensator without overtightening.
5. **Install Crush Washer:** Place the included crush washer between the compensator and the muzzle to ensure a proper fit.
6. **Final Check:** Ensure that the compensator is securely attached and properly aligned.

### Usage

- Once installed, the compensator is designed to redirect muzzle gases to minimize recoil and improve sight recovery.
- Practice shooting with the compensator to familiarize yourself with its performance and handling characteristics.
- Always follow standard firearm safety practices while shooting.

## **Disposal Instructions**

- Dispose of the compensator in accordance with local regulations regarding metal waste.
- Do not discard in regular household waste.
- If the compensator is damaged or no longer usable, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 3PORT COMPENSATOR 30 CALIBER, please refer to the manufacturer's customer support resources. Ensure you have the product details ready for efficient assistance.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your 3PORT COMPENSATOR 30 CALIBER. Thank you for your attention to safety and responsible usage.
