

# 9MM GEN 2 SILENT CAPTURED SPRING SYSTEM SHORT STROKE VERSION - J P ENTERPRISES 9MM GEN2 SILENT CAPTURE SPRING SHORT STROKE ALL STEEL MASS

[Rifle Parts](#) > [Receiver Parts](#) > [Recoil Parts](#) > [Recoil Springs](#)

The 9mm Silent Captured Spring is a drop-in component that softens recoil and reduces cycling noise and vibration in your 9mm carbine. The result is a refined rifle that's a pleasure to shoot. Paired with our 9mm bolt assembly, you have the most reliable 9mm operating system available. The 9mm Short Stroke Version provides the same reliable buffering as our other 9mm SCS models but with a shorter overall stroke. Designed for competitors looking for every edge, this model offers snappier cycling with even less felt recoil thanks to the shorter stroke. Note that because of its shorter travel, a short-stroke Silent Captured Spring will not actuate the bolt catch on 9mm carbine receivers such as the GMR-15™. But, as our PCC stars always say, if you run your mag. empty at a match, you've done something wrong. Plus, the superior cycling more than makes up for it. Package includes spring and instruction sheet.

## Attributes

- Name: [J P ENTERPRISES 9MM GEN2 SILENT CAPTURE SPRING SHORT STROKE ALL STEEL MASS](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000267
- Mfr. No.: JPSCS2-9SS-5
- Delivery weight: 0.227kg
- Shipping height: 70mm
- Shipping width: 70mm
- Shipping length: 222mm
- UPC: 812872025155

## Item details

Made in USA

US export classification: 0A501.x

# 9MM GEN 2 SILENT CAPTURED SPRING SYSTEM SHORT STROKE VERSION Safety Instruction Guide

## Introduction

Thank you for choosing the 9MM GEN 2 SILENT CAPTURED SPRING SYSTEM SHORT STROKE VERSION by J P ENTERPRISES. This guide provides essential safety information and instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that all users of this product are familiar with basic firearm safety practices.
- Always handle firearms with caution and respect.
- Store the product in a secure location, away from children and unauthorized users.
- Inspect the product regularly for any signs of wear or damage.
- Use only compatible components with the 9MM Silent Captured Spring System to ensure safety and performance.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The shortstroke design may not actuate the bolt catch on certain 9mm carbine receivers, such as the GMR15™. Ensure you understand your firearm's compatibility before use.
- Always wear appropriate eye and ear protection when using firearms equipped with this system.
- Do not attempt to modify or alter the Silent Captured Spring System in any way.
- Ensure that the firearm is unloaded before installation or maintenance.
- Do not use the product in conjunction with ammunition that exceeds recommended specifications.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary tools for installation.

#### 2. Remove Existing Components:

- Disassemble the firearm according to the manufacturer's instructions.
- Remove the existing buffer and spring from the buffer tube.

#### 3. Install the Silent Captured Spring:

- Insert the 9MM Silent Captured Spring into the buffer tube.
- Ensure it is seated properly and aligned according to the manufacturer's specifications.

#### 4. Reassemble the Firearm:

- Follow the manufacturer's instructions to reassemble the firearm.
- Doublecheck that all components are securely in place.

## **Usage Instructions**

- Load the firearm according to the manufacturer's guidelines.
- Fire the firearm in a safe environment, following all standard firearm safety protocols.
- Monitor the performance of the Silent Captured Spring System during use. If you notice any irregularities, cease use immediately and inspect for issues.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 9MM GEN 2 SILENT CAPTURED SPRING SYSTEM SHORT STROKE VERSION, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and responsible firearm usage. Enjoy your shooting experience with the 9MM Silent Captured Spring System!
