

# CRUSH WASHER - J P ENTERPRISES CRUSH WASHER 1/2"X28, .750OD, STAINLESS STEEL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Hardware](#) > [Washers](#)

We've been installing comps with crush washers since the debut of the original Recoil Eliminator. Every one has been a pain to work with and little better than a "necessary evil." There had to be a better way. Our Double Crush Washers are the way forward. Thanks to a JP original design and careful metallurgy, your next comp installation can be quick and painless. These washers auto-center and provide smooth, consistent crush without struggle. Each is good for close to 1 1/2 turns for just-right timing. US Patent Number 100,041,753

## Attributes

- Name: [JP ENTERPRISES CRUSH WASHER 1/2"X28, .750OD, STAINLESS STEEL](#)
- Manufacturer: [JP ENTERPRISES](#)
- Product no.: 452000272
- Mfr. No.: JPCW12S.750
- Colour: Silver
- Material: Stainless Steel
- Delivery weight: 0.045kg
- Shipping height: 3mm
- Shipping width: 102mm
- Shipping length: 171mm
- UPC: 812872024714

# Safety Instruction Guide for CRUSH WASHER J P ENTERPRISES

## Introduction

Thank you for choosing the CRUSH WASHER by J P ENTERPRISES. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this document carefully before use. It is designed to comply with the EU General Product Safety Regulation (GPSR) to protect consumers and provide clear information.

## General Safety Guidelines

- Always follow the manufacturer's instructions for installation and use.
- Ensure that the product is suitable for your specific application.
- Inspect the product for damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Dispose of the product responsibly, following local regulations.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

## Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to leaks or malfunctions. Use of damaged or defective washers can cause accidents.
- **Avoiding Hazards:** Always use the washer with compatible components. Do not exceed the recommended torque specifications during installation. Ensure that the washer is properly seated before use. Wear appropriate personal protective equipment (PPE) such as gloves and safety glasses when handling the product.

## Instructions for Installation and Usage

- **Installation Steps:**
  1. Ensure that the installation area is clean and free from debris.
  2. Select the correct size of the CRUSH WASHER for your application (1/2"X28).
  3. Place the washer onto the designated surface, ensuring it is centered.
  4. Tighten the component slowly to allow the washer to crush evenly.
  5. Do not overtighten; aim for approximately 1 1/2 turns after contact to achieve the right seal.
- **Usage Tips:**
  - Regularly check the installation for any signs of wear or leakage.
  - Replace the washer if it shows signs of damage or if the component becomes loose.

## Disposal Instructions

- Dispose of the CRUSH WASHER in accordance with local waste management regulations.
- Do not dispose of the product in household waste.
- Consider recycling options where available to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the CRUSH WASHER, please refer to the manufacturer's contact information provided on the packaging or visit the official website. It is important to have the product details ready for efficient assistance.

By following these guidelines, you can ensure the safe and effective use of the CRUSH WASHER by J P ENTERPRISES. Thank you for your attention to these important safety instructions.
