

# CRUSH WASHER - J P ENTERPRISES CRUSH WASHER 5/8"X24, .750OD, BLACK CARBON STEEL

[Rifle Parts](#) > [Barrel Parts](#) > [Rifle Barrel Hardware](#) > [Washers](#)

We've been installing comps with crush washers since the debut of the original Recoil Eliminator. Every one has been a pain to work with and little better than a "necessary evil." There had to be a better way. Our Double Crush Washers are the way forward. Thanks to a JP original design and careful metallurgy, your next comp installation can be quick and painless. These washers auto-center and provide smooth, consistent crush without struggle. Each is good for close to 1 1/2 turns for just-right timing. US Patent Number 100,041,753

## Attributes

- Name: [J P ENTERPRISES CRUSH WASHER 5/8"X24, .750OD, BLACK CARBON STEEL](#)
- Manufacturer: [J P ENTERPRISES](#)
- Product no.: 452000273
- Mfr. No.: JPCW58B.750
- Colour: Black
- Material: Carbon Steel
- Delivery weight: 0.045kg
- Shipping height: 3mm
- Shipping width: 102mm
- Shipping length: 171mm
- UPC: 812872024738

# CRUSH WASHER J P ENTERPRISES Safety Instruction Guide

## Introduction

Thank you for purchasing the CRUSH WASHER J P ENTERPRISES. This guide provides important safety instructions to ensure the safe use of the product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Ensure proper handling and storage of the product to avoid accidents.
- Always inspect the washers for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any difficulties during installation or usage, seek assistance from a qualified professional.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation can lead to product failure.
- Using damaged washers can cause leaks or malfunction.

- **Avoiding Hazards:**

- Always follow the installation instructions carefully.
- Use the washers only for their intended purpose.
- Do not exceed the recommended torque specifications during installation.

- **Age Specific Warnings:**

- This product is not intended for use by individuals under 18 years of age without adult supervision.

## Instructions for Installation and Usage

### 1. Installation Instructions:

- Ensure that the surface is clean and free from debris before installation.
- Place the crush washer in the designated area.
- Tighten the assembly to the manufacturer's specified torque, ensuring that the washer is properly seated.
- Check for proper alignment and function before use.

### 2. Usage Instructions:

- Monitor the washer during usage for any signs of wear or damage.
- If any unusual noises or leaks are detected, stop using the product immediately and inspect it.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- If unsure about disposal methods, contact local waste management authorities for guidance.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the CRUSH WASHER J P ENTERPRISES, please refer to the contact information provided on the product packaging or visit the manufacturer's website.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the CRUSH WASHER J P ENTERPRISES. Thank you for your attention to safety.
