

# AR-15 RECOIL ELIMINATOR 22 CALIBER - J P ENTERPRISES RECOIL ELIMINATOR 22 CALIBER 1/2-28 STEEL BLACK

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

## Wipes Out Recoil & Muzzle Lift

Dual, curved restrictor plates with a tremendous amount of surface area stop exiting barrel gases and pull the barrel forward to counteract recoil and muzzle flip. The front sight or scope stays right on target for a faster second shot, plus less felt recoil and shooter fatigue. Models available for rifles chambered in .223/5.56mm and .308/7.62mm.

# Safety Instruction Guide for AR15 Recoil Eliminator 22 Caliber

## Introduction

Thank you for choosing the AR15 Recoil Eliminator 22 Caliber by J P Enterprises. This product is designed to enhance your shooting experience by reducing recoil and muzzle flip. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Ensure that you are familiar with the operation of your firearm and its accessories.
- Always wear appropriate eye and ear protection when shooting.
- Keep firearms pointed in a safe direction at all times.
- Store the product and all firearms in a secure location, inaccessible to children and unauthorized users.
- Regularly inspect the product for wear or damage before each use.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Only use the AR15 Recoil Eliminator with firearms that are compatible with the specified calibers (.223/5.56mm and .308/7.62mm).
- Ensure that the muzzle threads of your firearm match the product specifications (1/2"28 for .223 and 5/8"24 for .308).
- Do not exceed the recommended bore sizes for the exit holes; modifications should only be made by a qualified gunsmith.
- Be aware of the increased noise level when using compensators and muzzle brakes.
- Do not use the product if it is damaged or if parts are missing.
- Always follow the manufacturer's instructions for installation and usage.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing muzzle device if applicable.
- Clean the muzzle threads to ensure a secure fit.
- Align the AR15 Recoil Eliminator with the muzzle threads.
- Handtighten the device onto the muzzle until secure. Do not overtighten.
- Confirm that the device is properly installed before use.

### 2. Usage:

- When ready to shoot, ensure all safety measures are in place.
- Maintain a firm grip on the firearm to manage recoil effectively.
- After shooting, inspect the device for any signs of wear or damage.
- If any issues are detected, discontinue use and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and firearm accessories.
- Do not dispose of the product in household waste.

- If the product is damaged beyond repair, contact a local recycling center for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product performance, please contact the manufacturer directly. Ensure you have the product information available when seeking assistance.

By adhering to these guidelines, you can ensure a safe and enjoyable shooting experience with your AR15 Recoil Eliminator 22 Caliber. Thank you for your attention to safety.
