

# AR-15/ 308 AR CLEANING ROD GUIDE - J P ENTERPRISES AR-308 CLEANING ROD GUIDE BLUE

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Guides](#)

## Helps Prevent Crown, Throat & Chamber Damage

Replaces the bolt carrier, seals the upper receiver and provides safe and effective cleaning from the breech instead of the muzzle. Solid aluminum rod guide helps prevent throat and chamber damage plus, the rubber "O" rings keep bore cleaning solvents out of the lower receiver. Bore guides will exhibit small points of unanodized material at the rear end. This is where the parts are attached to the dipping fixture when anodizing and is normal on these parts.

# AR15/308 AR Cleaning Rod Guide Safety Instructions

## Introduction

Thank you for purchasing the AR15/308 AR Cleaning Rod Guide from J P Enterprises. This guide provides important safety instructions and usage information to ensure safe and effective cleaning of your firearm. Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Use the cleaning rod guide only for its intended purpose: cleaning the bore of AR15 and AR308 firearms.
- Ensure that the firearm is unloaded before using the cleaning rod guide.
- Keep the cleaning rod guide and all cleaning supplies out of reach of children and unauthorized users.
- Regularly inspect the cleaning rod guide for any signs of wear or damage before use.
- Follow local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- Do not use the cleaning rod guide if it is damaged or if any parts are missing.
- Ensure that the cleaning rod guide is properly seated in the upper receiver before cleaning.
- Avoid using excessive force when inserting or removing the cleaning rod to prevent damage to the bore.
- Use only compatible cleaning rods and solvents to avoid chemical reactions that may damage the firearm or cleaning equipment.
- Wear safety glasses to protect your eyes from splashes of cleaning solvents.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including a compatible cleaning rod and bore cleaning solvent.

### 2. Installation:

- Remove the bolt carrier from the upper receiver.
- Insert the cleaning rod guide into the upper receiver, ensuring it fits snugly and seals the chamber.
- Verify that the guide is properly seated.

### 3. Cleaning Process:

- Attach the cleaning rod to the cleaning brush or patch.
- Insert the cleaning rod through the cleaning rod guide and into the bore.
- Apply the bore cleaning solvent to the brush or patch as needed.
- Gently pull the cleaning rod back and forth to clean the bore.
- Remove the cleaning rod and the cleaning rod guide from the firearm once cleaning is complete.

### 4. PostCleaning:

- Inspect the cleaning rod guide for any residue or damage.
- Clean the cleaning rod guide as necessary and store it in a safe place.

## **Disposal Instructions**

- Dispose of any cleaning solvents and materials according to local regulations.
- Recycle the cleaning rod guide if it becomes damaged beyond use. Check with local recycling guidelines for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AR15/308 AR Cleaning Rod Guide, please refer to the manufacturer's contact information provided with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of the AR15/308 AR Cleaning Rod Guide. Always prioritize safety and proper maintenance practices when handling firearms. Thank you for your commitment to responsible firearm ownership.
