

# GRIP PLUG for GLOCK® - JENTRA FITS GLOCK®

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

## Keeps Dirt Out of Grip Frame

Snaps into the opening at the rear of the Glock® grip frame for a cleaner appearance, plus keeps dust, dirt, snow and water out of the gun. Creates a perfect location for adding extra weight to competition guns or to counter recoil on light, carry guns. Easily removed, does not alter gun. See specs for proper fit to your model of Glock.

# GRIP PLUG for GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the GRIP PLUG for GLOCK® by JENTRA. This product is designed to enhance the appearance of your GLOCK® firearm while providing additional benefits such as keeping dust, dirt, snow, and water out of the gun. It is essential to follow safety guidelines to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that your firearm is unloaded before installation or handling of the GRIP PLUG.
- Always store your firearm in a safe and secure location, away from children and unauthorized users.
- Regularly inspect your GRIP PLUG and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and modifications.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- This product is intended for use with specific GLOCK® models. Verify compatibility with your firearm model before installation.
- The GRIP PLUG is designed to be easily removed; however, do not force removal if it appears stuck.
- Do not use the GRIP PLUG if it shows signs of damage or if it does not fit properly in your firearm.
- Avoid using the GRIP PLUG in conjunction with other modifications that may affect the firearm's performance or safety.
- Always handle your firearm responsibly and in accordance with best practices for firearm safety.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare the Firearm:** Ensure that your GLOCK® is unloaded and pointed in a safe direction.
2. **Identify the Grip Opening:** Locate the opening at the rear of the grip frame where the GRIP PLUG will be inserted.
3. **Insert the GRIP PLUG:** Align the GRIP PLUG with the opening and gently push it into place until it snaps securely.
4. **Check for Proper Fit:** Ensure that the GRIP PLUG is fully seated and does not protrude from the grip frame.
5. **Test Removal:** To remove the GRIP PLUG, gently pull it out. If it resists, do not force it; check for any obstructions.

### Usage Instructions

- The GRIP PLUG can be used to add extra weight to your competition gun or to counter recoil on lighter carry guns.
- Regularly check the GRIP PLUG for any signs of wear or looseness during your firearm inspections.
- Clean the GRIP PLUG as needed to maintain its appearance and functionality.

## Disposal Instructions

- Dispose of the GRIP PLUG in accordance with local regulations regarding plastic waste.
- Do not incinerate the GRIP PLUG as it may release harmful substances when burned.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the GRIP PLUG for GLOCK®, please refer to the manufacturer's contact information provided with the product packaging. Additionally, you can visit the EU's Safety Gate platform for updates on product safety and recalls.

By following these guidelines, you can ensure a safe and effective experience with your GRIP PLUG for GLOCK®. Thank you for prioritizing safety and responsible firearm ownership.
