FIRING PIN TOOL Safety Instructions

Introduction

Thank you for choosing the REMINGTON FIRING PIN TOOL KLEINENDORST FIRING PIN TOOL. This tool is designed to safely compress the mainspring of your firearm to facilitate the removal of the firing pin. Please read this safety instruction guide carefully to ensure safe and proper use of the tool.

General Safety Guidelines

- Always handle the tool with care to prevent injury.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the tool.
- Keep the tool out of reach of children and unauthorized users.
- Regularly inspect the tool for any signs of damage or wear before use.
- Follow all manufacturer guidelines and local laws regarding firearm maintenance and safety.

Specific Safety Precautions for Use

- Use the tool only for its intended purpose, which is to compress the mainspring for firing pin removal.
- Avoid using excessive force when operating the tool to prevent damage to the tool or the firearm.
- Wear safety glasses to protect your eyes from potential debris when using the tool.
- Do not attempt to modify or alter the tool in any way.
- If you experience any difficulties while using the tool, stop and consult the instruction manual or seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and in a safe condition.
- Gather all necessary tools and workspace to perform the operation safely.

2. Using the Tool:

- Position the tool over the mainspring of the firearm.
- Carefully compress the mainspring by turning the screw on the tool. Ensure that the screw is recessed and shouldered to protect the firing pin tip.
- Once the mainspring is fully compressed, the cross pin can be driven out safely.
- After removing the firing pin, release the mainspring slowly and carefully.

3. PostUse:

- After use, clean the tool and store it in a safe place, away from children and unauthorized users.
- Regularly check the tool for wear and tear, and replace it if necessary.

Disposal Instructions

- Dispose of the tool in accordance with local regulations regarding metal and tool disposal.
- Do not dispose of the tool in regular household waste. Check with local authorities for proper disposal methods.
