

R3E2C MUZZLE BRAKE .866 22 CALIBER - OPS INC R3E2C MUZZLE BRAKE .866 22 CALIBER 1/2-28 SS BLUE

[Rifle Parts](#) > [Muzzle Devices](#) > [Compensators & Muzzle Brakes](#)

Maximum Recoil Reduction With Reduced Blast

Single, large expansion chamber with forward baffle, traps and redirects muzzle gases to greatly reduce muzzle rise and blast. Dust printing and muzzle rise are all but eliminated. Stainless steel construction for superior resistance to powder corrosion. For all calibers center hole is .030" over bullet diameter. May be gunsmith enlarged to larger diameter. Available with .575"-40 tpi; allows installation on smaller diameter, slim-tapered barrels that require a shallow thread depth to maintain maximum bore to O.D. wall thickness. Exclusive supplier to elite U.S. military forces.

Attributes

- Name: [OPS INC R3E2C MUZZLE BRAKE .866 22 CALIBER 1/2-28 SS BLUE](#)
- Manufacturer: [OPS INC](#)

R3E2C Muzzle Brake Safety Instruction Guide

Introduction

Thank you for choosing the R3E2C Muzzle Brake. This product is designed to enhance the performance of your firearm by reducing muzzle rise and blast. It is essential to understand and follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

To ensure safe use of the R3E2C Muzzle Brake, please adhere to the following guidelines:

- Always handle firearms with care and treat them as if they are loaded.
- Use personal protective equipment (PPE), including eye and ear protection, when operating firearms.
- Ensure that the muzzle brake is installed correctly and securely before use.
- Regularly inspect the muzzle brake for signs of wear or damage.
- Keep the muzzle brake and firearm out of reach of children and unauthorized individuals.
- Do not modify the muzzle brake or use it in ways not specified in this manual.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

When using the R3E2C Muzzle Brake, please consider the following safety precautions:

- Ensure that the firearm is compatible with the .866" muzzle brake and the 1/228 threads.
- Verify that the muzzle brake is properly aligned with the barrel before firing.
- Do not exceed the recommended caliber specifications. The muzzle hole can be enlarged for other calibers, but this should only be done by a qualified gunsmith.
- Avoid shooting in enclosed spaces without proper ventilation, as muzzle gases can accumulate and pose a risk.
- Be mindful of the increased noise level associated with muzzle brakes, and take appropriate measures to protect your hearing.

Instructions for Installation and Usage

Follow these steps for the correct installation and use of the R3E2C Muzzle Brake:

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Clean the muzzle of the firearm to remove any debris or obstructions.
- Align the muzzle brake with the threads on the muzzle of the firearm.
- Handtighten the muzzle brake onto the threads until secure. Do not overtighten.
- If necessary, consult a qualified gunsmith for installation assistance or to enlarge the muzzle hole for other calibers.

2. Usage:

- Before each use, inspect the muzzle brake for any signs of damage or wear.
- When ready to fire, ensure that the firearm is in a safe position and that you are wearing appropriate PPE.
- Fire the firearm in a controlled environment, keeping a safe distance from others.
- After use, clean the muzzle brake to maintain its performance and longevity.

Disposal Instructions

When it comes time to dispose of the R3E2C Muzzle Brake, please follow these guidelines:

- Do not dispose of the muzzle brake in regular household waste.
- Check local regulations for proper disposal methods of firearm accessories.
- Consider recycling options if applicable, as the muzzle brake is made of stainless steel.

Contact Information for Further Support

For any questions or concerns regarding the R3E2C Muzzle Brake, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website for additional resources and support.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your R3E2C Muzzle Brake. Always prioritize safety and be aware of your surroundings while using firearms. Thank you for your attention to these important safety measures.
